P. S.—Persons in ordering goods will find it cheaper and more convenient to remit Postal Notes when they can procure them, than to remit by Money Order or Registered Letter, as you can remit any amount up to \$400 for 3 cents, at the same time avoiding the trouble it takes to fill out a blank for a money order or get a letter registered, as all you have to do is to tell the Postmaster the amount you want, and you get it without any trouble. Respectfully,
M. O. McCracken,
With Butler's Alhambra Saloon.
