

TROUPE'S TOPICS.

Lowndesville's Letter—Concrete Houses—Gun and Horse Thief—A Reason Why the Railroads go to the Bad.

Lowndesville, S. C., July 3, 1893. Dr. J. J. Lindsay of Waterboro and Mrs. J. O. Lindsay of Due West came in Tuesday, to visit the family of Rev. H. C. Pennel, brother-in-law of the former and son-in-law of the latter.

Mrs. Ida Vail of Chicago, and Mrs. G. Garrison of Elberton, spent the greater part of last week with the family of Dr. B. A. Henry.

Mr. W. E. Stone of Augusta, representing the Mutual Benefit Life Insurance Company, spent several days of last week in this community.

Mrs. E. H. Smith of Augusta, arrived Saturday, to spend the summer with the family of her father, Mr. J. E. Beatty.

Rev. Marion Gassaway, of Anderson, filled the pulpit in the Baptist church here yesterday in the absence of the pastor, Rev. R. J. Williams.

The latter part of the week before last, there was a man in our community, generally hailed from Abbeville, who spent the night with one of our darkey citizens.

He was arrested the next day at Cook's station, a few miles above here as a horse, watch and gun thief, under information from Augusta, Ga.

After being arrested, he confessed to having borrowed the silver mentioned above, and he was taken to Augusta and turned over to the proper authorities, a reward of fifty dollars having been offered for his apprehension.

Mr. E. R. Horton has bought the store and lot owned by Mr. A. L. Latimer. The store was formerly occupied by Messrs. Harper & Latimer, as a millinery, and will enlarge and improve the house to a better suit of his purposes in which he does business and will occupy it, on or about the first of September.

Mr. J. T. Latimer intends to at once begin the building of a two-story country residence on the lot upon which his store was burned some time ago, and expects to move into it about September 1st.

Mr. A. J. M. Moyer pulled from a vine in her garden a few days ago, a tomato which weighed one pound and seven ounces. Who can beat it.

The Rev. L. C. Vass of the Independent Presbyterian church of Greenville, Ga., visited here last week, and on the 15th ult., by giving a new theory as to why many of the Railroads in Georgia and elsewhere were in the hands of Receivers, which was that the retribution of the Almighty was being visited upon them, for breaking the Sabbath day.

There may be a great deal of truth in this. "Remember the Sabbath day to keep it holy" is Divine injunction and we don't think R. R. corporations can violate it with impunity, any more than private individuals.

The planter had as well plow and hoe, the merchant keep open shop, the mechanic ply his trade and every other avocation be industriously pursued, as for the railroads to follow their trade. The Great I Am has given us six-sevenths of time in which to pursue our daily calling, and we should not try to cheat him out of the other seventh, which he reserves to himself.

Dr. W. H. Doughty, Jr., of Augusta, reached here Monday, being informed by telegram because of the critical illness of Mrs. J. B. Franks. We are glad to state, at this writing that her condition is much improved.

Every Man A Capitalist. You can become a capitalist at once by laying by a small part of your yearly income and investing it in a Tontine policy of the Equitable Life.

For \$20 you can instantly secure a capital of \$1,000 (or for \$200 a capital of \$10,000), thus acquiring an estate which you may leave to your heirs, or retain as a fund for your own support in old age, if your life be prolonged.

Such a step will prompt you to save, will strengthen your credit, will increase your confidence, will preserve you from care and will give you lasting satisfaction. The Plan is Simple. The Security Absolute.

It is the perfect development of the life policy. To-day is the right time to get facts and figures. Address W. J. RODDEY, Manager, For the Carolinas, ROCK HILL, S. C.
