Vocal Lessons.

MRS. STANLEY desires to teach a singing
class, and will give instruction on the
most favorable terms. Of her ability and her
sweetest voice Miss Stanowski says:
"I am happy to speak most favorably of
Mrs. E. Stanowski. She always gave pleasure
in Athens by her beautiful singing, and
besides the instruction she received at the
Home School, she had the great advantage of
instruction in vocal culture in the Boston
Conservatory of Music."

BOARD OF ASSESSORS.

TO CANVASS THE RETURNS OF
PERSONAL PROPERTY OF
ABBEVILLE COUNTY.

Who They Are and What is Ex-
pected of Them.

The returns of the various Townships will
be forwarded to the Township Board of As-
sessor by or before March 6th; they will then
have until March 12th for examining the re-
turns. Try and forward the returns to this of-
fice by the 12th or 13th of March. It is clearly
the duty of this Board to scrutinize each re-
turn carefully and to see that each item of
property listed thereon is assessed at its true
market value. There is no rule to return
property at 66 2/3 per cent. of its actual value.
Where parties are suspected of having credits
above their indebtedness or any other charac-
ter of property that does not appear on their
sworn return, it is the duty of the Board to
enter such property or report the case to the
Auditor for investigation.

This is also the year for the re-assessment of
real estate. I hope the Board will see to it
that land is assessed at its true market value.
For example, as it would sell at Master's sale.

In every instance where there is a material
change in the return of an individual be sure
and notify the party, so that he may have the
power to appeal to the County Board of
Equalization.

The County Board of Equalization will hold
its annual meeting in the Auditor's office,
Friday, March 16th. The work of the County
Board may require more than a day.

The following freeholders are hereby ap-
pointed Boards of the various Townships:

A. Calhoun.
