PLENTY OF WATER.

Most Satisfactory Test of Town Wells.
The efforts of the city council to procure a supply of good water has been abundantly successful.
In addition to the water from the deep well, a flow of seventy gallons a minute from the new wells will supply all of the demands of the town for every purpose.
In order to have an abundant supply of water in case of fire a new reservoir is to be put on the hill side of the town pump. This reservoir will hold a quarter of a million gallons, and with this much pure water on hand our thirst may be quenched and the ravages of the consuming element may be stopped.
We use more water than of any thing else and when we have an abundance of good water, we have reason to be thankful to give of good gifts.

THE SEWERAGE.

Proper Treatment of Pneumonia.
Pneumonia is too dangerous a disease for anyone to attempt to doctor himself, although he may have the proper remedies at hand. A physician should always be called. It should be borne in mind, however, that pneumonia always results from a cold or from an attack of the grip, and that by giving Chamberlain's Cough Remedy the threatened attack of pneumonia may be warded off. This remedy is also used by physicians in the treatment of pneumonia with the best results. Dr. W. J. Smith, of Sanders, Ala., who is also a druggist, says of it: "I have been selling Chamberlain's Cough Remedy and prescribing it in my practice for the past six years. I use it in cases of pneumonia and have always gotten the best results." Sold by C. A. Milford, Abbeville. H. M. Young, Due West.

The conductor doesn't allow Lent to make any difference in his fare.

Inflammation Brakesman Cured.
William Shaffer, a brakesman of Denton, Ohio, was confined to his bed for several weeks with inflammatory rheumatism. "I used many remedies," he says. "Finally I sent to McCaw's drug store for a bottle of Chamberlain's Pain Balm, at which time I was unable to use hand or foot, and in one week's time was able to go to work as happy as a clam." For sale by C. A. Milford, Abbeville. H. M. Young, Due West.

Heaven won't be nearly so near to you if you don't suit some people.

A Favorite Remedy for Babies.
Its pleasant taste and prompt cure have made Chamberlain's Cough Remedy a favorite with the mothers of small children. It quickly cures their coughs and colds and prevents any danger of pneumonia or other serious consequences. It not only cures cough, but when given as soon as the croupy cough appears will prevent the attack. For sale by C. A. Milford, Abbeville. H. M. Young, Due West.

Charity covers a multitude of sins; but so does Dr. Cassell's.

Gives Health, Vigor and Tone.
Herbina is a boon for sufferers from anaemia. By its use the blood is quickly regenerated and the color becomes normal. The drooping strength is revived. The languor is diminished. Health, vigor and tone predominate. New life and happy activity result. Mrs. Belle H. Shirer, Midborough, Ill., writes: "I have been troubled with liver complaint and poor blood, and have found nothing to benefit me but Herbina. I hope never to be without it. I have wished that I had known of it in my husband's lifetime." Sold by C. A. Milford.

DEATH OF MR. JOHN BASS.

A telegram was received last Tuesday morning in March 8th, by Mr. J. G. Edwards, announcing the sad news of the death of her son Johnny, which occurred on Monday afternoon, March 7th, at Chattanooga, Tenn. The discharge of his duties as fireman on the Southern Railroad near Chattanooga, Tennessee, it was said that the coupling between the engine and tender broke, or came loose, when the engine in its sudden dash forward caused him to lose his balance, when he was hurled backwards, falling between the engine and tender directly upon the track, causing the crushing of his lower limbs, so that death was instantaneous.

His body was taken in charge by the Railroad Company, who had it brought to Chattanooga and nicely prepared for burial, placing it in a beautiful casket and forwarding it to Atlanta, from whence it was brought to Abbeville, arriving here over the Seaboard Wednesday morning about one o'clock and was at once taken to his home at Sharon. There many friends had gathered to speak words of sympathy and comfort, and do all in their power to assist the bereaved family. The deceased had been in the employ of this company about six months, and by his fidelity, careful and close attention to his duties, won the esteem and confidence, as well as the respect and good will of all the train crew.

His was warm-hearted, kind and true, and had many friends at home as well as abroad, all of whom mourn his sudden and untimely death, being cut off in the prime of his early manhood, and under a moment's warning.

His funeral services were conducted at Sharon Church at three o'clock Wednesday afternoon, by Rev. Boulware, after which his remains were interred in Sharon cemetery in the presence of a large company of sympathizing friends. The bereaved family have the sympathy of hosts of friends in their sorrowful affliction.

DEATH OF W. P. HAMMOND.

Mr. William Ferrin Hammond died at his home about three and one half miles South of Abbeville on Wednesday afternoon March 9th 1904 about 9 o'clock in the 5th year of his age.
The deceased had been in declining health for a long time, and for the past year had been a great sufferer nearly all the time, but amid all his suffering he was uncomplaining and submissive, and was perfectly sane, knowing the end was not far off, and when it came his only regret was, leaving his family. He was a member of the M. E. Church of Sharon since his early boyhood and died trusting in the merits of a crucified Savior, and we trust has now entered into that land of eternal rest where sickness and parting are no more.
He was a good citizen, a devoted husband, and loving father.
His funeral services were conducted on Thursday afternoon at Sharon Church by his pastor Rev. Boulware in the presence of a large and sorrowing congregation. Interment was made in the cemetery close by where many friends had assembled to pay their last tribute of love and esteem to the memory of their departed friend.
The bereaved wife and children together with the entire family have the sympathy of many friends who grieve over the loss of a shadow of gloom rested over route No. 3 the past week owing to the sad and untimely death of Mr. John Bass, so sudden, so awful and so unexpected to friends and family alike. Then following the remains of Mr. W. P. Hammond to the same cemetery the next day it was indeed enough to cause sadness in many hearts and homes. Death in all places is sad, but when we see our friends cut off in the prime of life it is extremely so.

Divorced couples are seldom re-paired.
