has lived in Abbeville she has endeared her-
self to our people. Rarely do we meet such
sweetness of spirit or such loveliness of charac-
ter. She was a member of the Presbyterian
church and the funeral services were con-
ducted there Tuesday afternoon by her

Investigating Committee Saved the State \$50,000.

(News and Courier.)
Columbia, March 25.—Special:
Some folks persist in asking what good
the dispensary investigating commit-
tee has done. It has a tendency to-
wards tightening up some of the busi-
ness methods of the State board.
In discussing the resolution looking
to the cancellation of the outstanding
contracts of the Carolina Glass Com-
pany with the State dispensary, Mr.
Frasier Lyon of the committee made
this statement:
Mr. Lyon explained that the Glass
Company had agreed to give up its
contracts, except its finished products.
The board must advertise for new bids.
The board had felt the State
would save from \$50,000 to \$50,000 on
outstanding contracts alone that are
revoked.
The resolution was adopted and the
contracts on about three hundred cars
of glass were revoked.
The prices on which the contracts
were revoked were none less than \$3.50
per gross for quarts; \$4.75 for pints
and \$3.20 for half pints.
The statement is made that at the
time the prices were \$3.40 for half
pints, \$4.85 for pints and \$3.65 for
quarts.
Well, the contracts were cancelled
by agreement and new bills were called
for by the newly elected board, and
here are the prices it is understood on
which the Carolina Glass Company of-
fered to make the goods. For half-
pint \$2.70; for pints \$4.10, and for
quarts \$5.80. Glass is cheaper now
than previously.
The following is a comparative table
of figures taken from the newspaper
files at the time of the inquiry, show-
ing the prices quoted:

	Sept 1902	March 1903	Dec 1903
Quarts.....	\$3.65	\$3.50	\$3.62
Pints.....	4.50	4.75	4.83
Half pints.....	3.00	3.20	3.40

	March 1904	Sept 1904	March 1906
Quarts.....	\$3.65	\$3.50	\$3.50
Pints.....	4.75	4.75	4.10
Half pints.....	3.25	3.25	2.70

Last prices on contract new board
Sept 1904 March 1906

	Sept 1904	March 1906
Quarts.....	\$3.50	\$3.50
Pints.....	4.75	4.10
Half pints.....	3.25	2.70

Those who are interested and who
are familiar with the quantities of the
various sizes bought say that Mr. Lyon
came well within his promise and that
the State will have saved the \$50,000 he
promised by the cancellation of the out-
standing contracts if they had bought
new at the prices offered by the Car-
olina Glass Company a few days ago.
Mr. Norton, the general manager of
the Carolina Glass Company, said in his

testimony that it was the business of
the company to get all it could for its
product and to furnish good wares. It
did this and the company is not to be
blamed. If the Carolina Glass Com-
pany received good prices it was its
good luck and its business tact. The
figures only go to show what might
have been done.

The board did not buy from the Car-
olina Glass Company. It was on the
list of the sub committee. It was
contracted for other bids which
were cheaper than the cancelled glass
contracts, it said. A. K.
