Link, left yesterday morning for Courtland, Alabama, on 'very special business', and if the good fortune that he anticipates awaits him he will bring back his bountiful bride. The R. F. D. boys wish for him the best of luck and will welcome his return.

Invitations have been issued announcing the marriage of Mr. Robert Sumner Link of Abbeville to Miss Kate Jackson of Courtland, Alabama on Wednesday afternoon the 9th of May at 4 o'clock in the Methodist Episcopal church of that city.

Stop in and see it, and your eyes will dance with delight.

Mrs. Joe Gilbert and children of Lowndesville spent the past week most delightfully with homefolk and relatives in the Lebanon section.

Prof. J. S. Gilbert now occupies the 'chair' at Leith, remarked that while he may not be up to date in all the new fangled methods of teaching such as learning children to read before they know their letters (as no such methods were taught in his day and time) yet the children coming out of his class room will receive thorough instructions that will fit and qualify them to handle successfully the difficult problems that meet them as they go through life.

STRUCK BY LIGHTNING AND BURNED TO THE GROUND.

On last Friday night a fearful electrical storm passed over route No. 3. Wind, hail, rain, lightning and thunder lit up the heavens, and caused the earth to tremble. The faint hearted were frightened, and those more courageous sat silent and thoughtful, wondering what would be the result, when suddenly a great light shined upon the heavens and revealed the fact that the large gin-house of Gilliam Bros had been struck by lightning and was burning to the ground. In a short time his splendid building with all its machinery, and corn mill, was totally destroyed. On Saturday a splendid outfit of new machinery had been put in less than one year.

A fire insurance of \$1500 was all that was had on the building and machinery, hence their loss will be from \$1320 to \$1500.

Gin and saw mills are hardworking and industrious men, and to sustain such a loss so unexpectedly and in the twinkling of an eye is quite a calamity. Mr. Gilliam and his family, like the Phoenix of old will arise out of the ashes of their misfortune and rebuild at once. Mr. Gilliam spent several days in the city, filled with the finest system of machinery that can be had, and will be ready by the coming season to do even a larger business than ever.

Stram W. Lawson, one of the prince farmers of the flatwoods was in the city on Monday.

No ploughing along route 3 on last Monday until we rounded up nearly home, then only a few plows were seen running.

The fall grain looks well and is now heading. Fine rains have fallen all along the circuit and farmers faces are wreathed with smiles, but can't say how long it will last as on this point they seem to be creatures of a day.

Cotton is coming up in good stands and can be seen from one end of the row to the other.

Ten cent cotton and dollar bushel corn, how does that strike you, Mr. Farmer?

Miss Clara Lee Gilliam spent several days of the past week with friends in Abbeville and enjoyed her stay very much.

PEATH.

Mr. T. T. Becham died at his home in Atlanta on Monday night April 23, 1906, after an illness of ten days.

The deceased was a consistent member of the M. E. Church, and passed away quietly and calmly trusting in the faith he professed.

His remains lie now rest in the View Cemetery, where they were gently laid to rest by loving hands in the presence of a large number of sorrowing friends.

Many lovely floral designs were laid upon the newly made grave in token of the love and esteem in which he was held by hosts of friends.

The family have the sympathy of many friends in Carolina, his former home.

"Earth has no sorrow," "That heaven cannot heal."

Terrific Race With Death.

"Death was fast approaching," writes Ralph F. Fernandez, of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect, that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at Speed's drug store; price 50c.

Letter to S. H. Shiver.

Dear Sir: Two years ago, Mr. Grant Smith, Erie, Pa., painted three frame houses, and the woodwork of a brick house.

The painter estimated \$116.20 for the paint, lead-oil.

He bought Devco \$97.40 and returned \$11.60. Saved \$31.10 on the paint.

Don't know the cost of the work. By the rule, the saving of labor would be from \$60 to \$80.

On all, from \$90 to \$120.

This is the tale, as it comes from Messrs W F Niek & Son, our agents there for 40 years.

Yours truly
F. W. Devco & Co
