Dargan's 5 & 10c. Store.

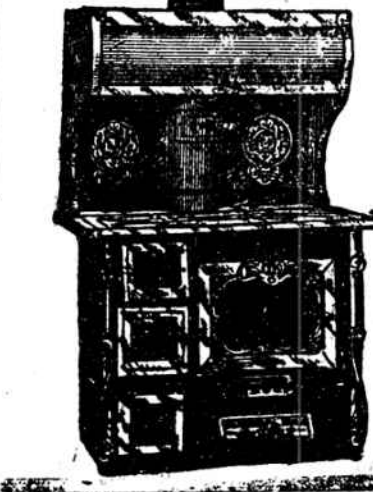

These two Freezers are the best made and you will find them reasonably priced here in all sizes.

We also have The American Twin and White Mountain.

"Whatsoever Ye Sow."
 "There recently appeared in a popular magazine an article on the special fierce competition encountered by American manufactures in Central and South America, but this is an example of what American-made goods—say Nashville-made goods, can accomplish."
 From Bluefields, Nicaragua, the Phillips & Butterfield Manufacturing Company recently received an order for the sixth double oven National Steel Range, "to be packed in 126-pound sections, for transportation part of the way on mule-back."
 This harvest is the outcome of the accidental sale of a National Steel Range there some months since, which had proven so sterling in endurance and good service that when others needed a like equipment, the National Steel Range was the only one considered, even though necessary to bring it a thousand miles.

No one star improvement makes the National the best.
 Its quality begins with the first steel plate and ends with the last rivet. Each step in building it is done right. The steel is heavy, the iron tough, the nickel plate thick and the riveting tight.
 It's all these things—seldom found in one range—make the National last and save fuel.

This wonderful National Steel Range is sold exclusively in Abbeville at this store. Call and see them.

Dargan's 5 & 10c. Store.

FRANCHISE.

South Carolina Public Service Corporation.

An ordinance to authorize and empower the South Carolina Public Service Corporation, its successors or assigns to construct, maintain and operate a railroad or railway system, within the corporate limits of the city of Abbeville, State of South Carolina, and to carry on the business permitted by its charter within the corporate limits of said city.

Be it ordained by the Mayor and Aldermen of the City of Abbeville in the City Council assembled:

Section 1. That the South Carolina Public Service Corporation, its successors or assigns be and the same hereby is authorized and empowered to construct, maintain and operate a Railroad or Railway System, through, and within the corporate limits of the City of Abbeville, and to lay and construct such tracks, sidings, turn-outs, crossings, crossovers, poles, wires, special signal devices, and other appurtenances necessary and desirable in connection with the operation of said railroad system, and to lay, maintain and construct such pipes and conduits for the transmission of gas and electricity as may be required in the conduct of its business and to operate its passenger, mail and express cars and electric engines, upon, through and over the following streets and no others, within the city of Abbeville or such of them as may be desired, viz: From the city limits along Seceston Avenue to Magazine Street, thence along Magazine Street to Main Street, thence along Main Street westerly to the City limits and upon resolution of the City Council over and through any other streets now existing or hereinafter opened in said city.

Section 2. The said Corporation shall have the right to cross all streets necessary in constructing, maintaining and operating the main line and sidings of the said railroad or railway system, whether located on private rights of way or on the streets herein before enumerated.

Section 3. That in constructing and maintaining the said railway the tracks shall be laid with suitable rails and in such manner that they shall be on a level with the surrounding surface of the street and that in maintaining the tracks and in operating said railway the Corporation or persons before named, or its assigns, shall furnish no greater obstacle than is necessary to the free use and enjoyment of said streets by people generally.

It shall be the duty of the corporation to whom this franchise is granted, or their assigns, to forthwith restore every street to as good condition as it was before used and repaired by it, and to keep and maintain the surface between the rails of the tracks and for a distance of eighteen (18) inches on the outside of each of its rails, in as good condition as the City maintains the balance of the streets.

Section 4. The motive power used for propelling the cars and vehicles of the said Corporation, shall be electricity. Provided, that upon resolution of the City Council such other power or powers as the development of mechanics or economy of operation may make desirable, may be used in carrying on all the business of the said Corporation, as permitted by its said charter.

Section 5. The cars and trains of all railroads, crossing at grade within the City limits, must either be protected by an interlocking and derailing device, located at the intersection, or by a full set of signals, or by other means, and not proceed until the conductor has gone ahead and signalled to do so.

Section 6. The head car of every train must be equipped with a bell or whistle to warn vehicles or pedestrians of its approach. Every train or car operating within the City limits at a rate of speed in excess of fifteen (15) miles per hour, must be provided with a bell.

Section 7. The said corporation shall indemnify and save harmless the City of Abbeville, its officers and agents, from and against all damages, claims and demands for injury to person or property, costs, charges and expenses, or compensation for or on account of any defect or defects in said streets in consequence of said corporation's failure to keep its tracks, turnouts and switches in repair, or in any way resulting from negligence of the Corporation in the construction and operation of its railway upon and over said streets and to reimburse said City for all loss or damage at any time sustained by it on account of said defects or negligence, and also that it will save harmless said City and its officers and agents from all claims for damages for injury to person or property, costs, charges and expenses growing out of, or resulting from the erection, construction, maintenance or use of said poles or wires on said streets, including the transmission of electric currents or escape of the same, and from any loss, costs or damage of every kind which it may at any time suffer through the negligence of the corporation.

Section 8. That the rate of fare for the transportation of passengers for each passenger for one continuous ride in one direction, within the City limits, shall not exceed five (5) cents.

Section 9. That the Corporation hereinbefore named, or its assigns, shall have the power to charge such reasonable rates for the transportation of freight over its lines as may be advisable and established by it, or as may be agreed upon by it and the consignors or consignees of freight. Provided, that in the transportation of freight there shall be no discrimination in favor of any person over another.

Section 10. That the Corporation hereinbefore named, or its assigns, are hereby authorized and empowered to establish such reasonable rules and regulations for the government of all persons while passengers upon any of their cars as shall be approved by the City Council of the City of Abbeville which approval shall be certified by the Mayor and Clerk of said City, and

when said regulation shall have been approved by the City Council and duly published by being printed on placards and placed in a conspicuous place in each of the said cars used for passengers on said street railway, they shall have the force and effect of an ordinance of the said City, any violation thereof by any person shall render that person guilty of disorderly conduct and shall subject him to a fine of not more than One Hundred dollars or imprisonment for not more than thirty days, within the discretion of the Mayor.

Section 11. All cars operated upon said tracks shall be entitled to the right of way and the drivers of any and all vehicles obstructing said tracks shall turn out and leave the tracks free upon the approach of any cars, so as not to obstruct the passage of same, and any driver or person who, upon the call or signal of the motorman, conductor or any other person in charge of any car, shall neglect or refuse to vacate said track shall be subject to imprisonment for not less than one day nor more than thirty days or to a fine of not less than one dollar, nor more than One Hundred dollars, for each and every offence, to be collected as other fines are collected in the City of Abbeville. Provided, That the provisions of this section, shall not apply to the various fire apparatus, engines or trucks of said City, which shall at all times have the right of way on all streets in case of fire.

Section 12. Nothing herein contained shall be construed as in any manner limiting or interfering with the right of the said City in working, grading, and otherwise improving the streets of sewerage, or in prosecuting any other work of a public character. And whenever in the prosecution of its public works, on its streets and sewers, or on work of any other kind, the tracks, road beds, posts or other property of said corporation, or its assigns, shall be in the way of such work, or an interference or hindrance thereto, the said tracks, road beds, posts, etc., as the case may be shall be removed out of the way by said Corporation, or its assigns, to the end that said City may prosecute said work without any interruption thereto or expense in so doing than if such road bed, tracks, posts, etc., had not been placed on said streets; and said City shall not be held liable for any damage resulting to said railway system by reason of anything done by it of its employees in the discharge of official duty. Provided, however, that said City shall exercise reasonable care in the prosecution of its work; and provided further, that said railway system shall have the right to replace its said property on all such streets on the completion of such public works.

Section 13. The said South Carolina Public Service Corporation, its successors or assigns, shall have full power and authority to erect its plants and to carry on and conduct its business as a common carrier on the streets named with the City of Abbeville which is provided for and permitted by its charter, either over its own tracks or over tracks of any other company which it may make suitable arrangements, subject at all times, however, to the existing laws and ordinances of said City of Abbeville.

Section 14. The privilege of franchise herein granted shall be absolutely void and of no effect unless active bona fide construction of said railway be commenced within three (3) years after the passage of this ordinance, and unless said system shall be constructed, equipped and put in operation within six (6) years from the passage of this ordinance.

Section 15. Any violation of any of the provisions of this ordinance by the said corporation or by any of its officers, servants, agents or employees, shall upon conviction before the Mayor or the City, subject the corporation to a fine not exceeding One Hundred dollars, or any officer, servant, agent or employee of said corporation, violating any of the provisions of this ordinance shall upon conviction before the Mayor be fined not exceeding One Hundred dollars, or in default be imprisoned with or without labor on the streets and ways of said City, for a period of time not exceeding thirty days.

Section 16. If at any time during the term of this franchise said electric railway shall not be operated for a period of six months, except for unavoidable accidents, strikes or by reason of judicial restraint, then the City Council shall have a right, after fifteen days notice to declare this franchise to be thereupon absolutely null and void.

Section 17. The powers and privileges hereby granted shall not vest so as to bind the City of Abbeville and the Corporation hereinbefore named, or its assigns, until the said Corporation or its assigns shall have executed a formal acceptance in writing of the provisions of this ordinance, which written acceptance shall be filed within ten days from the ratification thereof with the Clerk of the City Council of the City of Abbeville, and a record of the same on the Ordinance Book at the City and City Clerk shall furnish the Corporation hereinbefore named or its assigns, a certified copy of said ordinance and its acceptance thereof as filed with the Clerk.

Section 18. This ordinance shall take effect from and after its passage and acceptance by the South Carolina Public Service Corporation.

A Fortunate Texas.
 Mr. E. W. Goodloe, of 107 St. Louis St., Dallas, Tex., says: "In the past year I have become acquainted with Dr. King's New Life Pills, and no laxative I ever before tried so effectually disposes of malaria and biliousness. They don't grind nor gripe. 25c. at P. B. Speed's drug store."

The new Columbia negligee shirts have no equal. Rosenberg sells them.
 You can't tell a woman's age after she takes Hollister's Rocky Mountain Tea. Her complexion is fine. She is round, plump, and handsome; in fact she is young again. 35 cents, tea or tablets. C. A. Milford.

Wagon Wisdom

It's wagon wisdom that prompts a farmer to select a Weber Wagon. He knows that the 61 years experience in wagon building which stands behind every wagon is a guarantee that when he buys a Weber he buys the highest quality. Sixty-one years of wagon building have resulted in the Weber wagon of today, which, for correct design, excellence of material and conscientious construction, stands without a peer—King of all farm wagons.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.
 It was this fact that first correctly led Dr. Shoop to the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and mallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.

Dr. Shoop's Restorative
