

Have You Got It?
Pittsburg Chronicle-Telegraph.

If you're sore
To the core,
With aching bones,
And husky tones,
When you speak
And you're weak
In the knees,
And you sneeze,
And often cough
Your head off,
And you note
That your throat
Feels quite raw,
And your jaw
Feels as if
You'd got a bif, and dull pains
Vex your brains,
Then you've caught it,
You have got it—
It's the grip.
If you feel
The heat steal
O'er your frame
Like a flame
Till you burn
And you yawn
For chunks of ice
At any price,
Then like a flash
The shivers dash
From head to feet,
A chill complete,
And you quake,
And you quake,
And there's desire
For a fire,
And something hot
Right on the spot
To quickly drink,
And you think
Right there and then
You'll never be warm again,
Then you've caught it,
You have got it—
It's the grip.

It's in the air,
It's everywhere;
The microbes of the grip;
It's on another trip,
And up and down,
Through all the town,
By night and day
It seeks its prey,
And it's the fad,
If you are sad,
Or even mad,
Or if you sneeze,
Or cough or wheeze,
Or feel too warm,
Or chills alarm
To wear a look of grim dismay
And hoarsely say:
"I've caught it,
I've got it—
It's the grip!"

Abraham Brown, of Winterton, N. One bottle did me more good than all the five doctors prescribed." Guaranteed for blood poison, weakness and all stomach, liver and kidney complaints, by P. B. Speed, druggist, 50c.

Stop That Cold

To check early colds or Grippe with "Preventic" means sure defeat for Pneumonia. To stop a cold with Preventic is safer than to let it run and be obliged to cure it afterwards. As a sure cure, Preventic will cure even a deeply seated cold, but taken early at the mucus stage—break, or head or early colds. That's surely better. That's why they are called Preventics.

Preventics are Little Candy Cold Cures. No Quinine, no physic, nothing sickening. Nice for the children, and thoroughly safe too. If you feel chilly, if you sneeze, if you ache all over, think of Preventics. Promptness may also save your child, if there is feverishness, night day. Herein probably lies Preventic's greatest efficiency. Sold in boxes for the pocket, also in 25c boxes of 48 Preventics. Insist on your druggist giving you

RHEUMATIC FOLKS!
Are You Sure Your Kidneys are Well?

Many rheumatic attacks are due to uric acid in the blood. But the duty of the kidneys is to remove all uric acid from the blood. Its presence there shows the kidneys are inactive. Don't dally with "uric acid solvents." You might go on till doomsday with them, but until you cure the kidneys you will never get well. Doan's Kidney Pills not only remove uric acid, but cure the kidneys and then all danger from uric acid is ended.

Robert B. Calvo, bookbinder, employed at The State Publishing Co., official printers for the State of South Carolina, living at 1010 Lumber St. Columbia, S. C., says: "I thought I had rheumatism and treated for it on that belief. I used all kinds of liniments. The pain was in my back and in my hips clear to the shoulders. The liniments did me no good and I took to blood medicines but they did not help me. I took a long trip in hopes that the change of climate might help me. I was away for three months but could see no change for the better. I heard of Doan's Kidney Pills and determined to try them, and got a box at a drug store. They completely removed the pains out of my back and I have not felt a touch of the old trouble since I used them."

For sale by all dealers. Price 50 cents Foster-Milburn Co. Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
