RHEUMATIC FOLKS!

Are You Sure Your Kidneys are Well?

Many rheumatic attacks are due to uric acid in the blood. But the duty of the kidneys is to remove all uric acid from the blood. Its presence there shows the kidneys are inactive. Don't daily with "uric acid solvents." You might go on till doomsday with them, but until you cure the kidneys you will never get well. Doan's Kidney Pills not only remove uric acid, but cure the kidneys and then all danger from uric acid is ended.

Robert B. Calvo, bookbinder, employed at The State Publishing Co., official printers for the State of South Carolina, living at 1010 Lumber St. Columbia, S. C., says: "I thought I had rheumatism and treated for it on that belief. I used all kinds of liniments. The pain was in my back and in my hips clear to the shoulders. The liniments did no good and I took to blood medicines but they did not help me. I took a long trip in hopes that the change of climate might help me. I was away for three months but could see no change for the better. I heard of Doan's Kidney Pills and determined to try them, and got a box at a drug store. They completely removed the pains out of my back and I have not felt a touch of the old trouble since I used them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

A tickling cough, from any cause, is quickly subdued by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers every where to give it without hesitation, even to very young babies. The wholesome green leaves and tender stems of a long-healing mountainous shrub, furnish the curative properties of Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membrane. No opium, no chloroform, nothing harsh used to irritate or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The specialists call this shrub which the Doctor uses, "The Sacred Herb." Always demand Dr. Shoop's Cough Cure. C. A. Milford.

THE LIEN LAW.

Mr. W. C. Shaw Tells How It Benefits Both Rich and Poor.

Lowndesville, S. C. Dec. 29, 1907. Editor Press and Banner:

I notice that your paper is not in favor of the repeal of the lien law, and I ask permission to say something on that line through your valuable columns.

In my way of thinking the lien law is one of the best laws on our statute books. It is a law that does the greatest good to the greatest number. It helps both the rich and the poor. Did the House not make a great mistake at the last session of the Legislature, when they repealed the law? Did not the Senate show their good sense when they killed the bill passed by the House to repeal the lien law? Suppose the Senate had not killed the bill; when Judge Brawley declared the Contract Law unconstitutional, what protection would the landlord have had for advances or what protection would the merchant have had for advances? None. Gentlemen and tenants are the farm laborers. They could have taken their crop to market and sold it if they had been so disposed, and neither the landlords nor the merchants could have helped themselves. But when the Senate killed the bill to repeal the lien law, it left the law in full force which makes it a means to dispose of crop under lien. It saved the landlord and the merchant and is a safeguard for their protection.

The great number of liens that is given every year show the necessity of the law. Take away the lien law, and you take away the only means of credit that the poor man has to get bread for his children; and you will injure the merchant's trade, and lessen the bankers loans, and injure the banking business.

It might be said, how does this benefit come to the poor man through the lien law? It helps him to get bread for his children, and the great majority of our merchants have not money enough of their own to run more than two thirds of the number of their customers; and possibly one third of their customers are poor men who have no security to give except a lien on their crops. If the law were repealed, a chance to give a lien on their crops to the merchant; it gives the merchant then, a basis of security to borrow the money in the bank as a surety and draws a certain amount of money on them and runs the risk of the poor customer. And if these poor men could not give lien on their crops, the law being done away with—how would they farm under these circumstances? How then could labor be better controlled without the lien law?

And speaking for those who can get along without giving a lien on their crops—if a poor man can get along with giving a lien on his crop—it will not hurt them. A word to the wise is always sufficient.

W. C. Shaw.

COURT DECIDED

IN HIS FAVOR

Cooper Fought to Retain Formula Which Has Made a Fortune.

L. T. Cooper, the man who believes that 90 per cent. of all ill health of this generation is caused by stomach trouble, is fast winning a national faith in his theory. His claim is now admitted by a surprising number of people throughout the country, and he is gaining new adherents every day.

While speaking of his success in a recent interview, Mr. Cooper said: "I believed ten years ago that any one who could produce a formula that would thoroughly regulate the stomach would have a fortune. When I got hold of this formula I knew within six months that I was right, and that my fortune was made. I called the medicine Cooper's New Discovery, although I did not get up the formula. I have owned it, however, for over three years. I have had one lawsuit over it, which I won in the courts. When it was settled The Cooper Medicine Company became the only firm in the world that can prepare the medicine. The preparation has sold like wildfire wherever introduced. As I have said before, it is successful simply because it puts the stomach in perfect shape, then nature does the rest. There are any number of complaints never before associated with stomach trouble that the medicine has alleviated in thousands of cases."

Among statements obtained recently from users of this medicine that is arousing such universal discussion is one from Mrs. Emma Stanley, living in Chicago, at 713 Washington Boulevard, who said: "Perhaps I had the most complicated case that Mr. Cooper had to deal with. I was troubled for years with my stomach. I consulted with doctors and took many patent medicine preparations without result. My stomach was in such a wretched shape that I could not enjoy a meal that I ate.

"I was very nervous, and could hardly sleep; I had a roaring in my ears and dancing spots before my eyes. I felt very bad and weak. Then there was a very sore spot at the pit of my stomach that nearly set me wild.

"I heard about the Cooper medicine and decided to try it. I used four bottles, and the improvement in my case has been really wonderful. My nerves have been quieted, and I am so much improved that I feel like a new woman.

"I cannot say too much for these wonderful remedies, for they have made me well."

Notice to Tax-Payers.

For the Purpose of Accommodating the Public in the Matter of Making Their Tax Returns, I Will Visit the Places Mentioned Below on the Dates Indicated in Schedule:

ALL RETURNS MUST BE MADE UNDER OATH, AND ALL PERSONAL PROPERTY RETURNED AT ITS TRUE MARKET VALUE.

Persons not making their returns between January 1st, 1908, and February 20th, 1908, are liable to a penalty of 50 per cent. This penalty will be enforced against delinquents; for the failure to enforce it heretofore has put a premium on neglect of the law.

The returns of those who conform to the law are placed before the Townships and County Boards, while those who disregard the law come in after the meeting of the Boards and return to suit themselves. The enforcement of this 50 per cent. penalty will correct this evil.

Employers are requested to return all of their employees after notifying them and getting a statement of their property.

Returns will not be taken by mail unless they are sworn to before some proper officer. This does not apply, however, to persons returning only land.

All improvements on and transfer of real estate must be reported to the Auditor.
