\$100.00 paid by Dr. Shoop for any recent case of Grippe or acute Cold that a 25 cent box of Prevento will not break. How is this for an offer? The Doctor's supreme confidence in these Little Candy Cold Cure Tablets—Prevento—is certainly complete. It's \$100.00 against 25 cents—pretty big odds. And Prevento, remember, contain no quinine, no laxative, nothing harsh nor sickening. Pneumonia would never appear if early colds were always broken. Safe and sure for feverish children. 48 Prevento 25c. C. A. Milford.
