Death Was On His Heels.
Jesse P. Morris, of Skippers, Va., had a close call in the spring of 1906. He says: "An attack of pneumonia left me so weak and with such a fearful cough that my friends declared consumption had me, and death was on my heels. Then I was persuaded to try **Dr. King's New Discovery**. It helped me immediately, and after taking two and a half bottles I was a well man again. I found out that **New Discovery** is the best remedy for coughs and lung disease in all the world." **J. F. Miller.**

He Got What He Needed.
"Nine years ago it looked as if my time had come," says **Mr. C. F. Faring**, of Mill Creek, Ind. "I was so run down that I hung on a very slender thread. It was then my druggist recommended **Electric Bitters**. I bought a bottle and I got what I needed—strength. I had one foot in the grave, but **Electric Bitters** put it back on the turf again, and I've been well ever since." Sold under guarantee at **P. B. Speed's** drug store. 50c.

An Insidious Danger.
One of the worst features of kidney trouble is that it is an insidious disease and before the victim realizes its danger he may have a fatal malady. Take **Foley's Kidney Cure** at the first sign of trouble as it cures irritable and prevents Bright's disease and diabetes. **P. B. Speed.**
