

Of Interest to Democrats.

The National Democratic Congressional Campaign Committee has begun active operations at its headquarters at Washington, D. C. In addition to its regular work, it is now preparing a Campaign hand-book which it hopes to have ready for distribution by July 1—two or three months earlier than heretofore.

The Committee is charged with the duty of assisting, in every way possible, the election of a Democratic Congress. We wish the active cooperation of every voter in the United States who believes, with us, that the election of a Democratic Congress would greatly benefit the country. We must rely upon the people to sustain our work by giving information as to local conditions, and suggestions for our guidance.

Each individual can at least aid us by making a contribution. Will he not do so, and interest others in helping us too?

We wish our Campaign hand-book distributed as generally as possible, and we will furnish a copy, as soon as published, to every one who contributes to our Committee.

Send remittances to me at Washington, D. C.

James T. Lloyd,
Chairman.

WHAT THE KIDNEYS DO.

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every few minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

J. C. Black, living on Main St., Abbeville, S. C., says: "I have used Doan's Kidney Pills and am very well pleased with the results obtained. I have been feeling miserable for some time with backache across the lower part of my kidneys. I felt lame and sore nearly all the time and there was also an irregular action of the kidney secretions. I had heard of Doan's Kidney Pills being a good remedy for such troubles, and went to P. B. Speed's drug store and procured a box. I used them and they helped me so much that I have had but little pain or distress since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
