The Swine and the Flower. Oh me! I saw a huge and loathsome sty, wherein a drove of wallowing swine were barred,

Whose banquet shocked the nostril and the eye; Then spoke a voice, "Behold the source of lard!"

I fled, and saw a field that seemed at first One glistening mass of roses pure and white.

With dewy buds 'mid dark green foliage nursed; And, as I lingered o'er the lovely sight, The summer breeze, that cooled that Southern scene,

Whispered, "Behold the source of COTTOLENE!"
