

Due West—Beautiful Due West!

The Home of Erskine and Due West Female Colleges.

This is probably the only place, outside of a large city, in South Carolina where you can go and educate your children from A B C up, because, in addition to having here the fine Colleges mentioned above, they have a fine Graded School. There is not a better place to raise your children anywhere. The presence here of so many educated and consecrated men and women makes a moral atmosphere that is almost perfect. In addition to its schools facilities it is a very fine business place. It has 9 stores, 7 of which are brick buildings. The Due West Bank organized eight years ago with \$8,500 capital, has paid an annual dividend and now has nearly \$14,000 surplus and is selling for \$250.

Every man who has gone into the mercantile business here has prospered. Failures are almost unknown. H. P. McGee began here and when he left was rated the richest man in the County. The climate is superb and it is notoriously healthy. There is absolutely no objection to Due West as a home—especially since the Due West Railway has been built. Under the present management this road is proving a wonderful success. The only trouble with Due West is that in the past those who wanted homes could not get them. In fact there is not an empty house in town now. But there need be no trouble of that kind hereafter. We have bought the tract of land belonging to Mr. Henry Young and running up to

The Depot and Erskine College Campus

a large part of this is beautifully shaded with Grand Old Oaks. We are opening up Streets and Avenues through this property, and on

Saturday, Feb. 13, 10:30 a. m.,

WE WILL OFFER THEM FOR SALE AT AUCTION.

Every lot put up will go at what it will bring. TERMS—1-3 cash, balance in fall—5 per off if you pay spot cash. Now these lots will go cheap and you can pay the 1-4, in some cases, and plant in cotton and make enough to pay the balance.

The Ladies Are Especially Invited

I always have crowds of ladies at my sales and have never failed to sell them some lots. If your husband is not willing to buy and you are ambitious for the children, go ahead and bid for yourself, you can pay for it in chickens, eggs and butter.

BRASS BAND—I will have a fine Brass Band in attendance and will do all I can to make it pleasant for you. If you have never seen anything of this kind, you will enjoy it.

Col. D. A. Taylor will be the Auctioneer, and he is a show in himself. Now do not be a clam. Come to this sale and bid. Seize opportunity as it passes. Don't growl about what would have

been if you had brought land 10 years ago. There will be greater advance, in my judgment, in the next 10 years than in the last.

How is it your neighbor is worth more than you? He has not worked harder, has he? Is it not rather that he bought some land and the increase in value made him rich? Isn't that so? This will be the biggest day Due West has had since Bryan spoke here. Your children will soon be large enough to be sent off to school. Why not buy and build here and keep them with you. It is a great risk to send them out from under parental influence. The money that you will spend in sending them away will build you a handsome home in a delightful College town.

Don't Forget the Date—February 13th, at 10:30 a. m.

HIDDEN DANGERS.

Nature Gives Timely Warnings That No Abbeville Citizen Can Afford to Ignore.

DANGER SIGNAL NO. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here is proof in the statement of a nearby resident.

Mr. R. L. Motes, Garlington St. Laurens, S. C., says: "I have used Doan's Kidney Pills for some time and have been greatly benefited by them. I suffered a great deal from backache, also had frequent dizzy spells and my kidneys were very inactive. The kidney secretions were unnatural and otherwise disordered. Learning of Doan's Kidney Pills, I procured a supply and they helped me at once. The pains in my back have greatly lessened, my kidneys are normal and I feel better in every way."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
