Where the Most Beautiful Line of Spring and Summer Millinery and Dress Goods will be on Exhibition.

**MILLINERY!**

The most chic and fashionable Hats of the season will be shown, including the "Peach Basket," Fritzie Scheff, Polks, Burnt Leghorns, Fancy Braid, Nets-Shirred and plain, and other shapes too numerous to mention.

This department is under the skillful management of Miss Nannie Seal, whose ability is too well known throughout the county for us to make mention. Miss Oetzel is our head milliner, who has been with us for three seasons and proven herself to be an artist of decided ability.

This is a flower season and a visit to our show rooms is equal to going to an art gallery. You should not fail to see the gorgeous Hats of this season. Prices to suit each and all.
