TO THE PUBLIC

The Consolidated Salvage Sale Co., of New York and Birmingham, has contracted with D. Poliakoff, of Abbeville, S. C., to sell for them two-thirds of their entire stock of General Merchandise in Thirteen Days. There is only one way to do it, that is to make the prices right, so we have cut the prices so deep that they will make the goods move fast. This stock must go at whatever figure it will bring. We care nothing for cost or former price. Both will be swept aside and forgotten. We propose to show the people of Abbeville and surrounding country great attractions and a hundred-fold in magnitude, and the event will hold the public spell-bound with matchless values that competition can't touch.

This stock of seasonable Merchandise consists of fine Dry Goods, Clothing, Shoes, Hats, Ladies' and Gents' Furnishing Goods. CASH is what we WANT and MUST HAVE. Nothing reserved. Every article in the house must go. The flood gates of low prices will be open—Next Saturday, January 15th, 9.30, for 13 days only. Never in the history of Abbeville have there been such grand, startling, stupendous values offered. Examine and carefully compare the best values and closest prices ever shown in this vicinity. Below are only a few of the many Bargains awaiting you. This is no Fake, but a bona fide Sweeping Sale. Everything sold is just as advertised. Bring this with you for comparison. The first sale of its kind ever held in Abbeville. Come early and stay late.
