

The DARGAN-KING COMPANY HARDWARE AND CROCKERY

Men's Friends

An old, serviceable knife that never balks, that's always ready for work, becomes almost a friend—you hate to part with it. But in buying a knife you cannot tell by examination what sort of service it will give unless you buy the kind whose durability and wearing qualities are guaranteed.

KEEN KUTTER

Pocket Knives and Razors

are the serviceable-kind. You are absolutely sure of satisfaction when you buy them. You know they have the finest, strongest blades, tempered exactly right for keen, lasting edges.

Every detail is given careful attention, so that springs, joints, rivets, linings and handles will last as long as the almost indestructible blades.

Keen Kutter Knives and Razors are fully guaranteed.

This name and guarantee also covers Tools of all kinds, Scissors and Shears and Table Cutlery.

Tool Requirements

What do you expect of a hammer—a rightly formed handle that can't work loose or come off—a face you cannot batter—the true hang and balance for straight driving? Then you must get a hammer on which this name appears.

KEEN KUTTER LAWN MOWERS

So light running that your "youngest" can now mow the lawn without help.

KEEN KUTTER Mowers are fast cutting and easy running because of the triple gear and the fine ball bearings. A KEEN KUTTER will last longer than any mower on the market and is easily kept keen and sharp. To sharpen, merely reverse the blades and they sharpen themselves. A cheap mower will cost more in the end on account of repairs, will not do the work properly and will require twice as much labor.

The KEEN KUTTER is a money saver, a time saver, a temper saver—and will keep your lawn looking like velvet.

Price \$6.75 and upwards, according to style and size.

KEEN KUTTER TOOLS

Sharpened Tools

Ever buy a hatchet that would sharpen a pencil? If you did, it was a Keen Kutter, for every Keen Kutter edged tool is sharpened at the shop. On the other hand—did you ever buy a hatchet that you had to grind before using, and in grinding find a flaw or soft spot? That is the reason that most manufacturers do not give you a hand sharpened tool. They let you take the risk.

KEEN KUTTER QUALITY TOOLS

are offered you with every risk of quality or temper removed. Edges are keen and perfect—temper and quality are tested and every tool is stamped with the name and trade mark for identification and guarantee. You don't need to be a tool expert to buy the best tool of any kind. Just ask for a Keen Kutter if you want a Saw, Chisel, Bit, Drill, Gimlet, Awl, Plane, Hammer, Hatchet, Axe, Drawing-knife, Pocket-knife, Screw-driver, File, Glass-cutter, Ice-pick, or any tool for bench, home, garden or farm.
