## W. O. BRADLEY DIED IN WASHINGTON

MRS. A. G.

YANDERBIL

Native of Abbeville and Well Known Here-Prominent Lawyer at Abbeville Buried at Cold Springs.

Mr. W. Q. Bradley, formerly of Ab beville county, late of Washington, D. C., died at his home, Saturday, Sept. 28, 1912, of a stroke of apoplexy. He was fifty-five years old on the day of his death, having been born on Sept 28th, 1857.

W. Q. Bradley was born in Abbeville county, at what is now the town of Bradley. He was a son of General P. H. Bradley. He received his collegiate education at Erskine college, this county. Selecting law as a profession, he was admitted to the bar and settled at Abbeville Court House, where he was soon recognized as one of the best as well as one of the most successful lawyers at the bar.

In June, 1893, Mr. Bradley was ap pointed Chief of the Division of Ju-dicial Claims, Treasury department, by President Cleveland. His ability stated their positions today. Mr. R. through each succeeding administration, until on account of ill heaith, he resigned in 1908. In 1879, Mr. Bradley was married to

Miss Laura Moffatt and to them were born five children. The eldest, Moffatt, is chief of a division in the Post-Office department. Thomas is a lawyer in active practice in the city of Washing-School, John is head of the Right of Way department of the Chesapeake & Potomac Telephone System. He is also survived by a daughter, Miss Mary, and his wife.

W. O. Bradley was a man of broad and accurate information. A friend of his, a member of congress, said of him once that he had come in contact with few men in public life whose information was so general and yet so accurate.

He was always a keen student of politics, and his estimate of public men was remarkable. He knew the statesman from the demagog, the man and his more than twenty years of He was an easy conversationalist and spoke with the accuracy of the historian.

Many regrets are expressed here at the death of W. O. Bradley. Though he left Abbeville twenty years ago, his old friends recall his kindly manner seen little of him since his removal to Washington, they have abated nothing in their warmth of regard for him, and they unite with the bereaved family in deploring his death. Mr. Brad-ley was buried at Cedar Springs church, this county, Sunday evening. Funeral services were conducted by Rev. R. F. Bradley assisted by the Pastor of the church.

We shall see his face no more but the memory of his upright life will be with us to point us to higher and better things.

### GARY-POPE

Chief Justice and Mrs. Eugene B. Gary have issued invitations to the marriage of their daughter, Miss Marie Gary, and Dr. Thomas Harrington Pope. The marriage will be solemnized at Trinity Episcopal church, this city, on the evening of Tuesday, the 15th of October, at half-past eight o'clock. Miss Gary is a young lady of many endearing qualities and her friends throughout the State, who are legion, will wish for her the happiness she so richly deserves.

Dr. Pope is a prominent young phy sician of Kinards, Newberry county, where he enjoys the esteem of his community and an ever-growing practice in his profession.

## LARGE ADDITION TO WAREHOUSE

Will Have Storage Capacity of 6,000 Bales.

REPAIRS TO THE OLD PORTION

Roof And Platform Have Been Renovated-Fire Protection is Ample.

As an evidence of the increasing importance of Abbeville as a cotton market, the Farmers' Warehouse has undertaken to increase its storage capacity to a considerable extent. The large addition to the warehouse which has been under construction for some time is now well under way, though work has been temporarily suspended for lack of material.

When the addition to the warehouse is completed, the building will have a storage capacity of 6,000 bales of cotton, stored on end.

In addition to building this annex, which is a two-story brick building, built according to the most approved warehouse plans, the old plant of the company has been thoroughly renovated, and put in good shape for the present season.

New platforms have been built, the roof has been overhauled and the buildings generally put in first-class condition.

A double system of water supply af-fords ample protection from fire. The warehouse facilities are now ample for the needs of the county.

MR. JOHN R. BLAKE MOVES TO GREENWOOD

Distinct Loss to Abbeville. Public-Spirited Citizen. Has Lived Here Since 1892.

Abbeville to-day loses one of her best citizens by the removal of Jno. R. Blake to Greenwood, the town of his birth.

Mr. Blake has been in Abbeville since 1892, and his stay here has been marked by all of those traits that go to make a good citizen. He is one of Abbeville's most liberal and publicspirited citizens.

By fortunate investments, Mr. Blake has built up an estate worth well around one hundred thousand dollars, and he has not done this by any nigardly policy. On the contrary he has already

been a liberal and cheerful giver.

An example of his foresight is well worthy of mention. When Greenwo was a small railroad station, Mr. Blake bought 650 acres of land running up to the corporate limits at \$9.00 per acre. He was then a poor school teacher and borrowed the mines to pay for the land at a rate of 20 per cent per annum. That land to-day is selling for more than \$100 per acre. He with Mr. R. E. Cox of this place, bought lands and other property in and near the city of Abbeville, that in the last ten years have increased fully three times in value. Mr. Blake has sold out his Abbeville property to Mr. R. E. Cox at the advanced price and now holds property only in Greenmitted only a partial report, which set forth irregularities in numbers of the International Correspondence educational advantages afforded by the Woman's college at Greenwood Mr. Blake has decided to move to that

Mr. Blake is secretary and treasure of Abbeville-Greenwood Mutual Fire Insurance company, and was one of the original organizers. Before this company was organized, only a few farmers in either county could secure fire protection and these at excessive rates. This company has put insurance in the reach of every man and at a rate much less than that charged by old line companies. The offices of the Abbeville-Greenwood company will be retained at Abbeville, as heretofore.

The removal of Mr. Blake from Abbeville is a distinct loss to the town, financially and socially. There is one consolation, however, his heart is with us, and the friendships made here will not be affected by a change of time or place.

#### FORMER ABBEVILLE BOY HAS ROMANTIC MARRIAGE

The Anderson Daily Mail contains the following account of the marriage of Mr. T. Edgar Link. Mr. Link is well known in Abbeville, his former home. He has many friends here who will wish abundant happiness. Following is the notice:

Miss Marie Gaines and Mr. T. E. Link, of Belton, were very romantically married at Greenwood Thursday evening. Miss Gaines, who was a mil-liner at Anderson, left for her home and there was joined by Mr. Link. They journeyed together to Greenwood where they were married. After a short honeymoon trip, they will make their home at Florence where Mr. Link will be employed with the Florence Times. Miss Gaines is a daughter of Mr.

and Mrs. G. W. Caines and a very attractive and prominent young society girl of Belton, about 19 years of age, and her runaway marriage came somewhat in the nature of a surprise to her friends. She made a number of friends during her residence in Anderson. Mr. Link was formerly employed with the Belton News and is a promising young newspaper man. . .

#### REGISTRATION BOOKS WILL NOT BE OPEN

In The Press and Banner of last week it was stated that the books of registration would be open again on the first Monday in October. This was an error, as the law requires the books to be closed 30 days before the general election. The books will not again be opened, and those who failed to secure certificates can not do so
