LOWNESVILLE.

Happenings of a Week In and About the Seven-Hilled City—Personals.

Lownesville, Nov. 2, 1912. Mrs. T. Baker and Mrs. Charles T. Baker left here Monday at 12 M., on a flying trip to Anderson with Mr. D. L. Barnes in his auto, and were back home before dark.

Mr. Tom Swift and his mother, Mrs. Tom Swift of Elberton, came over Monday and then on to the home of the brother of the second, Mr. John Young, three miles out. The two first returned to this place the next day and were guests of Mrs. T. Baker till Wednesday, when they went back to their Georgia home.

est autos, owned and managed by Dr. T. O. Kirkpatrick and Messrs. E. W. Harper, D. L. Barnes and T. D. Cooley, left here for Anderson loaded, so to speak from basement to attic with juvenile joy riders. The four auto-owners gave to the coming men and women of our town an outing—a ride that they will remember in coming years as one of their brightest and happiest. With two chaperones, Mrs. T. D. Cooley and Miss El Louise Harper, and three chaperones, as somebody calls the men who act in that capacity, the very merry crowd was kept in check, and the trip was made without accident or special incident. About twenty-five of the young men of our town were given a free ride, and at the northern end of their journey were given a free attendance upon the picture show which was in full blast at that point. All of which reflects much credit upon all of those who so freely gave of their time and attention to the giving to the little folk so much joy. He who gives pleasure to another necessarily reaps a harvest of comfort and happiness which cannot be estimated. It wonderfully lightens the cares and anxieties of life, and helps us to cross many a rough place in

life safely and quickly. Dr. J. Lindsay Fennel and family, of Waterloo, came over to this place in an auto Tuesday and spent the night with the father and family of the first, Rev. H. C. Fennel. Mrs. A. C. Latimer, Mrs. Hattie Todd, Dr. and Mrs. A. C. Cuthbert and little babe, came over from Belton Tuesday and spent the day with Mrs. T. Baker. These modern horseless carriages wonderfully lessen time and distance. A few years ago it was a sort of dreaded undertaking to go only a few miles to spend the day. Now without hesitancy we can go twenty-five miles in the best of spirits. Mrs. J. T. Lathimer a few days ago went to Willington to spend a while with Mr. Albert Gibert and family. Mr. and Mrs. E. W. Harper and Miss El Louise Harper went to Anderson in an auto Thursday and brought the son of the two first, Mr. Holcombe Harper, back with them. He was carried there to the hospital several weeks ago to be operated upon for appendicitis, but when the attempt was made it was found that nature had saved the trouble, and he was brought back home and is getting along nicely.

Lewis one night. Miss Seal Porter is visiting her sister, Mrs. Bradley Cox. Mr. and Mrs. Charley Douglass and little son visited Miss Ira Hamilton Sabbath out in the country. Mr. Tobe Hinton made a flying trip over here Sabbath from Calhoun Falls. He likes his new location fine. Miss Rebecca Wilson gave a fruit supper to a few of her young friends Saturday night a week ago. Mr. Jim A. Mundy is now firing on the Southern road—running from Columbia to Greenville. The little two-year-old child of Mr. and Mrs. Earle Harrison died Tuesday morning, Oct. 29th. The little fellow had been in bad health all his life, and took worse and lived only a few days. The body was taken to Heardmont, Ga., for burial. We have had two beautiful white frosts, and it left everything looking gloomy. Master Joe Bowie gave a dance to a few of his young friends in honor of his friend, Master Jack Long, from near Columbia. Mr. Purdy met with a very serious accident while cutting wood, a piece flew up and struck his eye and caused it to look very bad. The fever still keeps its hold on the people. There are five cases in talking distance of each other. Mr. J. Will Bowie made a flying visit home Saturday and returned Monday. He says he likes Parr Shoals fine. Master J. T. Blanchett was over from Calhoun Falls visiting relatives Saturday night. Born, Nov. 1st, to Mr. and Mrs. S. A. McCuen, a son; to Mr. and Mrs. Adger Campbell, a daughter. Family reunion at Mrs. L. J. Gilmer's on last Friday. The children of Mrs. Gilmer gathered at her home and celebrated her 55th birthday. The children were all there except two. She is the mother of nine children—five girls and four boys—and had the good luck to raise them all, and all married, except one. She has 39 or 40 grandchildren, and they were very near all there, and you bet we had a time. The oldest child is Mrs. W. B. Going, of Abbeville; 2d, Mr. J. A. Gilmer, of Greenwood; 3d, Mrs. Will Bowie, of Abbeville; 4th, Mr. S. A. Gilmer, of Abbeville; 5th, Mr. Ed Gilmer, of Level Land; 6th, Mrs. Jessie Botts, of Abbeville; 7th, Mrs. Will McClain, of Belton, S. C.; 8th, Mr. Brown Gilmer, of Antreville,—he is the single one; 9th, Mrs. Charley Saylor, of Belton. The day will be long remembered and we trust that our mother will have many more birthdays and that by another year we all can be together, and if you don't believe we had a time ask Mr. Jim Finley, as he took sixteen of us up there in a two horse wagon, and I think before we got back he wished he had taken the police to keep us quiet. Mill News.

Interesting Locals From Cotton Mill Village, Reported by Pansy.

There was a delightful dance given to the young people at Mr. George Shirley's Friday night a week ago. Born, to Mr. and Mrs. Earl Harrison, a daughter. There are about eight or ten cases of fever in the village. We attended the fair and everything was as nice as could be. The flying man was the biggest curiosity that was seen, and we enjoyed seeing so many of our friends from the country, among them was Mrs. Hugh Crawford from near Due West. Mr. Ben Williams and family have moved back from Honea Path. Mr. Mit Seawright from near Antreville was down to see Mr. John T. Evans and family last week. Mr. Joel Martin from near Level Land spent the night with his friend Mr. Will

Do You Know How This Tea Came to Be?

¶ First a price was fixed, below which no really GOOD tea can be sold.
¶ Next, all teas selling at this price were cupped and tested for quality.
¶ Finally, a blend was perfected, at least 25 per cent better than the best of these tested teas, and the result was called

VOTAN TEA

to match the superb coffee by that name. ¶ It is now offered to you with every assurance that it is, indeed, a really fine tea at quite a moderate price and you can get it as well as VOTAN COFFEE of only one dealer in this town; viz.

Should You Desire
the Best in Shoes
There is Only One Choice
BEACON'S

Among the Multitude of Shoe Factories that dot America from Coast to Coast, only one is Acknowledged by Friend and Competitor Alike to Produce Footwear without a Peer—and that one Factory is Beacon's

For the past few years I have been the sole agent for Beacon's in Abbeville. Previous to this the people of Abbeville County had no opportunity to become familiar with their merits; and because the price is less than you pay for any other make in Shoes, I am now enjoying a large business in Beacon's alone.

In all candor, it is my opinion that this Fall's styles are decidedly the best looking and best fitting Shoes that ever came from the Beacon factory; in fact they represent the highest attainment in ever achieved.

I also handle what is best in any other kind of Shoe of Shoes that is sold by me is guaranteed to give satisfaction or a new pair in its place if it
