**IN MEMORY OF THE LATE
MRS. LOIS ROBERTSON CHEEK**
The Abbeville Chapter, Daughters of the Confederacy, at a recent meeting adopted the following resolutions on the death of Mrs. Lois Robertson Cheek:
"Whereas, it hath pleased our Heavenly Father, in His infinite wisdom to remove unto Himself, our dear sister and co-worker, Mrs. Lois Robertson Cheek; therefore be it
Resolved: That we, the members of the Abbeville Chapter, United Daughters of the Confederacy, while bowing submissively to this mysterious dispensation of Divine Providence, do express our deep sense of grief and loss, in the death of our loved member, whose gentle voice and cheering words will no more be heard in our Chapter councils and plans.
"Resolved: That we extend to her bereaved and devoted husband, to her tenderly loving sisters and brothers, our deepest sympathy in this dark and sudden hour of a terrible bereavement. May God bless and keep these orphaned ones she loved so well. May He be gracious—very gracious—unto them and cause His face to shine upon them. We know, and they will realize sometime, that our loss is her eternal gain, and that, ere this, she hath met her Pilot face to face.
"Resolved: That a copy of these resolutions be sent to the family of our dear departed sister, also that these resolutions be engrossed upon a page of the Minutes of the Abbeville Chapter, and that they be printed in our county papers.
"Respectfully submitted,
"Mrs. Ella Cox Cromer,
"Mrs. W. C. Sherard,
"Miss Nettie Russell,
"Committee."

AN ABBEVILLE MAN. The Greatest Treasure in the Rich Fields of the Golden Gate.

Mr. T. J. Bowen, formerly of Antreville, but now a citizen of Abbeville, has just received a letter from his old friend Mr. W. W. Frazier of Bakersfield, California. Mr. Frazier was graduated at the Lethe School in this county before the war, and afterward he was graduated from the Charleston Citadel. At the breaking out of the war Mr. Frazier became drill master in Confederate camps. After the war Mr. Frazier went to California, where he now stands high in educational circles, owning great cattle ranches and large vineyards. He has become immensely wealthy in his adopted home. Mr. Frazier, by his upright life and his successful efforts, reflects credit on the DeLa Howe School, which has for a hundred years been a benefactor to deserving poor boys and girls.

Mr. Hubbard Bowen, son of Mr. T. J. Bowen, left Abbeville last March to enter the employ of his father's old friend, Mr. Frazier, in California, and is now taking lessons from his employer in learning how to gain the highest honors in the higher walks of life.

It is thought that Mr. Frazier will, when disposing of his property, leave to that old and honored institution a sum of money that will perpetuate his good name, even as Dr. DeLa Howe has perpetuated his own name in the hearts and minds of good people of Abbeville county. Mr. Frazier, like some of the rest of us, is far advanced in life, and having no children to inherit his wealth, he could not do better than help an institution that is so proud of him, his character, and his Christian heart. All of the older people of Abbeville county hold Mr. Frazier in the most loving remembrance

ASYLUM BOND ISSUE FAILS TO CARRY Did Not Receive Two Thirds Prescribed by Act of General Assembly

The News and Courier.
Columbia, November 24.—Although the proposition to permit the Legislature to vote \$1,000,000 in bonds to relieve the congested condition at the State Hospital for the Insane received a majority of 995 votes in the general election, still it failed because the joint resolution called for a two-thirds majority for the issue to carry. That part of the joint resolution referred to follows:
"The commissioners of election shall provide a separate box and furnish a sufficient number of ballots for the voters, and the said election shall be conducted in all respects as now provided for the conduct of general elections, and if two-thirds of the qualified electors voting upon said question of issue shall vote in favor of the issue of such bonds and creation of such indebtedness, then the General Assembly, at its next session, shall provide for the issuing of bonds not exceeding one million dollars (\$1,000,000), payable within forty years at a rate of interest not

exceeding four (4) per cent. per annum.
The vote on the bond issue was:
For the bond issue, 16,827.
Against the bond issue, 15,831.
Woodrow Wilson electors were elected, the vote for the various parties being as follows:
Democratic 48,355
Progressive 1,283
Republican 536
Socialist 164
The total vote cast for Governor by the Democrats in the general election was 44,122. The Socialist candidate, for Governor received 208 votes. The vote for other State officers averaged about 45,600.
The report shows that all of the proposed constitutional amendments relative to assessment of abutting property for permanent improvements were carried.
