Since our last report, the city has paved the side walk in front of the Graded school building and the Civic League made it possible for the ways from the walk to the front entrance of Graded school paved. These improvements add greatly to the beauty of the surroundings and to the comfort of the children. The splendid response of patrons and friends to our call for contributions for school improvement has made it possible to have some plowing and leveling about the High school done. Stationary benches have been put about over the school grounds and a Webster's New International Dictionary purchased for use in the High school. To all who made these improvements possible, the teachers and pupils extend their most sincere thanks.
The Daughters of the Confederacy of the town have done well to keep alive the memories of the heroes of the sixties. The entrance of the High school building is large and would be a most appropriate place for a mural tablet. Here, two hundred children at the most impressionable age, pass back and forth daily. A tablet here would perhaps do more to impress their hearts and minds with the greatness and sacredness of the Lost Cause than possibly anything else that could be done.
A deal offered to the High school pupil who writes the best essay upon the Confederacy or some theme relating to this subject would not be inappropriate. The essay might be read at the exercises on Memorial Day in May.
It is a great pleasure to report a fine spirit that exists among the grades to excel.
The tenth grade pupils have organized their class adopting a beautiful pin with initial letters "A. H. S." and "13." date of purple enamel. The class colors are purple and gold. The officers are: President, Miss Ruth Syfan; Secretary, Miss Margaret Williams; Historian, Miss Birch Clinkscales; Miss Cleo Duncan, Critic; Ernest Gary, Poet; Miss Margaret Williams, Prophet. The High school was visited during the Baptist convention by several delegates. Among them being Rev. Graves L. Knight, Superintendent of the Graniteville schools, where he has taught for twenty years. Mr. Knight is perhaps one of the best teachers and best posted school men in the State. His talk to the school at the morning assembly was interesting and very much enjoyed.

FAMOUS VIRGINIA "FAIRY" OR "LUCKY STONES" ON SALE.
The McMurray Drug Company now have on sale a consignment of the famous Virginia "Lucky" stones, about which there is a superstition that the weaver will be protected from harm. The legend of these stones runs somewhat as follows:
"As to the real origin of these little crosses of stone, comparatively nothing is known, as the leading scientists of the country here failed to throw any satisfactory light on the subject; but in that remote mountain section runs a very pretty legend to the effect that hundreds of years before King Powhatan's dynasty came into power, long before the woods breathed the gentle spirit of the lovely Pocahontas, the fairies were dancing around a spring of limpid water, playing with the naiads and wood nymphs, when an elfin messenger arrived from a strange city far, far away in the land of the dawn, bringing the sad tidings of the death of Christ, and when they heard the terrible story of the crucifixion they wept. And as their tears fell upon the earth they were crystallized into little pebbles, on each of which was formed a beautiful cross. When the fairies had disappeared from this enchanted spot the ground about the spring and the adjacent valley were strewn with these unique mementoes of that melancholy event."
No trouble to give Conkey's Roup Remedy. Just a pinch in the drinking water. The fowls take their own medicine. For sale and guaranteed by The McMurray Drug Co.

FOILS A FOUL PLOT
When a shameful plot exists between liver and bowels to cause distress by refusing to act, take Dr. King's New Life Pills, and end such abuse of your system. They gently compel right action of stomach, liver and bowels, and restore your health and all good feelings. 25c at P. B. Speed and McMurray Drug Co.
Indigestion
Causes Dizziness, Nervousness, Sick Headache, Sleeplessness.
MI-O-NA STOMACH TABLETS BANISH ALL MISERY, GAS AND SOURNESS.
You know that most of the ailments named above come from an out of order stomach; of course you do. If your food doesn't digest, but lays heavily on your stomach it has started to ferment.
When it ferments it sets loose in the stomach poisonous gases which irritate the great nerve that leads directly to the brain from the stomach.
That irritation causes heartburn, dizziness, night sweats, nervousness, MI-O-NA will end all stomach misery, or money back. A large box costs only 50 cents and is sold by C. A. Milford & Co. and druggists everywhere.
