Rev. J. B. Green, D. D., pastor of the Presbyterian church at Greenwood, spoke to the Erskine Y. M. C. A. last evening. Dr. Green said he was glad to be with the Due West Y. M. C. A., and to speak a word for Christ. He announced his subject as: "Wanted—More Men and More Man." Jesus was always going about searching for men. Young men your King and your country needs you. Gideon had 32,000 males but only 300 men. To be a man is what counts. Are you a man or just a male? The great need is for men. The greatest service any man can render is simply to be a man. God wants men in the home. God wants men in business to represent Him there. There are many men making money, but not for God. God wants men in the State to interpret and enforce the law. God wants men at the ballot box—patriots. If men had done their duty with the ballot, the women would not be asking for suffrage. There is need for men to lead and men to follow. Men ought to be what they want the boys around them to be. Wanted—men pure and holy; men who will not defile themselves in any way. The first call that comes to us all is to be men. The Church, the Sabbath School and the Y. M. C. A. are in the men-making business. These are some of the good things Dr. Green said. He fully sustained his reputation as a speaker. The young men of the Y. M. C. A., with Miss McLane at the piano, furnished excellent music. After the talk at the Y. M. C. A., Dr. Green preached an excellent sermon at the A. R. P. church on "From Principles to Perfection." Mr. R. P. Blake, Mrs. Geo. Bailey, Miss Edna Bailey and Mr. James Bailey of Greenwood, accompanied Dr. Green on his trip to Due West.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

THANKSGIVING DAY AND THE ORPHANS

President Wilson has appointed Nov. 25th, as the National Thanksgiving Day. It has been our annual custom on that day, or the Sabbath following, to remember the orphans.

We hope that every reader of these lines will gladly do so. You have a wonderful amount to be grateful for. Put your gratitude to the proof. Send to the Orphanage of your church, your thank-offering. Presbyterian people in Florida, Georgia, and South Carolina will remember that they are united in supporting the Thornwell Orphanage, Clinton, S. C., which is the property of those three Synods.

The children are all orphans, some three hundred in number. There are 17 cottage homes, each occupied by some 15 to 25 children, with a good motherly woman in charge. The children are regularly in school for forty weeks each year, and are taught some trade or occupation, by which they can earn an honest living. Usually they leave the Home at the age of 16 to 18, unless an earlier discharge is found advisable. Their support depends upon the gifts of good men and women. Especially at Thanksgiving times, they ought to be remembered. There are 180 children from South Carolina, 70 from Georgia, and 28 from Florida. The rest came from even other states.

Contributions should be sent simply to Thornwell Orphanage, Clinton, S. C. Checks and post-office orders should be sent to the same address.
