The score was a tie—6 to 6. Interest and enthusiasm ran high throughout the game. Nothing like it has ever been played on our grounds. This was Erskine's first year in foot ball, but she has shown that she has the "stuff" to put out a winner next year. At the Student body meeting Saturday morning, a purse of \$25 was presented to Coach Lamott, as a token of appreciation and love the students all have for him. Many speeches of regret on account of his leaving were made. He won the heart of every man in college while here. Mr. Lamott left Saturday morning for Columbia, where he is to work with the Y. M. C. A. gymnasium. Lamott stands for gentleness in everything. Again the boys of Erskine were forced to forget their troubles and give themselves up to a happy two hours by the Wiley Home girls, who closed the pleasures of Thanksgiving with the "memorable mirth of a Mylie Soiree." Messrs Monte McDaniel and C. M. Boyd were elected to represent the Philomathen Literary Society as Sophomore declaimers in the semi-annual celebration.

LOWNDESVILLE

Some days ago Mr. and Mrs. D. L. Barnes, Dr. and Mrs. J. B. Moseley, and Mr. E. J. Huckabee took an auto ride to Ninety Six and attended the stock sale that came off in that place. They were the next morning water bound and had to come back by rail road. It is, as is well known, not to have a killing frost till the middle of November, yet on the 13th there had been none and on that date some of the garden vegetables were still being eaten, especially string beans; numbers of the gardeners here and around had them that day. About two weeks ago, Dr. J. W. Lawrence, received by telegram that his venerable father, who had lived for years in Norfolk, Va., had just passed away. He at once left, and attended the funeral and burial services. He came back last week and the first of this week his wife, who together with their children, who for cause, had remained at their home in McBee, when he came here, came up here and spent several days.

WANTED TO SELL:—On account of long move, will sell my fine cow, some chickens, cow feed, and a Columbia bicycle. Rev. S. O. Cantey. Dec. 1. 1t.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 7c. Take Hall's Family Pills for constipation.

Barnes gave a Thanksgiving dinner to a few friends and from all accounts, it was one to be enjoyed.
