

DIAMOND HILL.

Diamond Hill, June 25.—Cradle day was much a success Sunday, June 24, eighteen names of babies were put on the wall roll at the church and the same number of mothers received colored certificates tied with the cradle roll colors, baby blue and pink, also each baby received a pin.

WILL HAVE CAMPS READY FOR THE NATIONAL ARMY

Federal Government Calls Guard Engineers to Assist in Preparing Cantonments.

Washington, June 22.—There will be no serious delay in construction of the 16 cantonments for the national army, Secretary Baker said today, and all of the establishments probably will be ready about September 1, the tentative day considered for summoning to the colors the first 625,000 men.

The process of selecting the men, the secretary indicated, probably will be set in motion early in July.

Regulations for the exemption and selection processes have been prepared and will be made public next week. President Wilson is understood to have approved the general scheme worked out by the war department to secure fair and unselfish application of the law through local officials. Minor modifications are being made but plans will be completed in a few days.

Machinery for the great task of constructing the 16 cantonments also is virtually complete. Under an order published today, the engineer units of the National Guard will be mustered in the federal service immediately to aid in technical features of the work.

At each cantonment, all construction operations will be under direction of the construction quartermaster. Seven of the men designated for these posts are regular army officers and the other nine are successful civilian engineers who have been commissioned as majors in the quartermaster's reserve corps.

The only question as to cantonment sites that is not finally settled, Mr. Baker said, involves a possible relocation of the cantonment now assigned to Des Moines.

Building of the cantonments, the secretary said, would proceed on the present general specifications though some minor modifications would be made because of suggestions by the medical committee of the defense council.

The main problems now are those of material and transportation. A new difficulty has presented itself in the shape of a shortage of iron water pipe.

By way of emphasizing what can be done in a short time when all the resources of the department are put to work, officials revealed today that cantonments for the regular army made necessary by the expansion for war purposes have been rushed almost to completion.

The engineers given reserve corps majors' commissions and made constructing quartermasters in Southern cantonments are: William Couper of the Pennsylvania railroad, Columbia cantonment; James Pease, Columbus Ga., Atlanta cantonment; Frank E. Lamphere of the Baltimore & Ohio railroad, Louisville cantonment, and John R. Fordyce, Little Rock, Little Rock cantonment.

Among the regular officers named as constructing quartermasters in Capt. Frank B. Edwards, Peersburg.

Today's orders calling National Guard engineers into the federal service applied to engineer troops in the guard establishments of South Carolina, Georgia, Massachusetts, New York, Pennsylvania, Ohio, Indiana, Michigan, Illinois, Mississippi, Iowa, Kansas, Texas, California and New Jersey.

LONG CANE

WHEN YOU WAKE UP DRINK GLASS OF HOT WATER

Wash the poisons and toxins from system before putting more food into stomach.

Says inside-bathing makes anyone look and feel clean, sweet and refreshed.

Wash yourself on the inside before breakfast like you do on the outside. This is vastly more important because the skin pores do not absorb impurities into the blood, causing illness, while the bowel pores do.

For every ounce of food and drink taken into the stomach, nearly an ounce of waste material must be carried out of the body. If this waste material is not eliminated day by day it quickly ferments and generates poisons, gases and toxins which are absorbed or sucked into the blood stream, through the lymph ducts which should suck only nourishment to sustain the body.

A splendid health measure is to drink, before breakfast each day, a glass of real hot water with a teaspoonful of limestone phosphate in it, which is a harmless way to wash these poisons, gases and toxins from the stomach, liver, kidneys and bowels; thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

A quarter pound of limestone phosphate costs but very little at the drug store but is sufficient to make anyone an enthusiast on inside-bathing. Men and women who are accustomed to wake up with a dull, aching head or have furred tongue, bad taste, nasty breath, sallow complexion, others who have bilious attacks, acid stomach or constipation, are assured of pronounced improvement in both health and appearance shortly.—Adv.

Mrs. Walter Peeler Loud in Praise of Jackson's Cordial

Wants Every Woman in the United States to Know What It Did For Her—She Now Does Her Own Housework. Have You Tried It?

"Last winter I was unable to walk across the floor," says Mrs. Walter Peeler. "Today thanks to Dr. Jackson's Cordial I am a well woman. At times I suffered so much pain that I thought I was going to die."

"I read in the papers where Jackson's Cordial was curing so many people that I began taking it. After taking three bottles I began to improve. In all I have taken 12 bottles and today I am stronger than I have been in 20 years."

"My husband says that Jackson's Cordial is the best medicine on earth. He has been taking it for a spring tonic and he is telling all of his friends about it. Before I started taking Dr. Jackson's Cordial I was unable to eat or sleep and was nothing but skin and bones. I have gained 40 pounds and can eat anything."

Mrs. Peeler's but one among the thousands who have been cured by this famous medicine. It cannot be equalled for indigestion, constipation, dysentery, diarrhoea, sick headache, fever, biliousness or any kind of stomach, liver, blood or kidney trouble.

For sale by McMurray Drug Co., I. T. Brown, Evans Bros., and Barnett. The Calhoun Falls Drug Co., Martin and Calhoun Falls Mill Store.—Adv.

No. 666 will cure Malaria or Bilious Fever. It kills the germs.

MT. CARMEL.

Mt. Carmel, June 25.—Messrs Whit Gilliam and Eugene McCarter were calling in Mt. Carmel Sunday evening.

Miss Emma McAllister spent several days with Mrs. Fannie McBride last week.

Mr. and Mrs. Joe Gibert, little Joe and Mr. Archie Gibert, Misses Carrie Mary Gibert and Benie Watson attended services at the Presbyterian church.

Mr. and Mrs. M. L. Marchant and little son of Greenville, are visiting Mr. and Mrs. J. W. Morrah.

Mrs. A. L. Patterson spent last Tuesday in Abbeville.

Mrs. Oscar Spikes and little William and Sue Spikes and Messrs. Laurence and Jean Miller of Hendersonville, S. C., are visiting Mrs. Agnes Miller and Mrs. J. J. McKellar. Mrs. Spikes is better known in Mt. Carmel as Mrs. Estes Miller.

Mr. and Mrs. Calhoun Harris and family of Anderson, returned home last week.

Mr. and Mrs. Bradley Morrah of Chattanooga, Tenn., spent part of the past week in Mt. Carmel with Mr. and Mrs. J. W. Morrah. Mr. Morrah is a Mt. Carmel boy, having lived here in childhood and young manhood. His many friends welcome him home again.

Mr. W. H. Horton spent last Monday in Augusta.

Miss Kathryn McKellar entertained last Tuesday evening in honor of her cousins, Messrs. Lawrence and Jean Miller. The evening was very much enjoyed by the younger set. Delicious refreshments were served.

Rev. Mr. Clotfelder held communion service at the Presbyterian church Sabbath night.

Mrs. Frank Stuart of Columbia, is visiting her mother, Mrs. M. L. Kay.

Miss Louise Conner entertained her young friends informally last Thursday evening. Quite a number enjoyed the merry games, and at a late hour, delicious ice cream and crackers were served.

The Y. P. C. U. will have a late afternoon picnic on July 4th on the grove in front of Mrs. Patterson's home. Everybody cordially invited to come.

The many friends of Mrs. Lawrence Hester will learn with regret of her illness. They all hope for her a speedy recovery.

Mrs. Cowan of Calhoun Falls, but who has been living in Kentucky for the past year, is visiting her daughter, Mrs. W. R. McBride. We are sorry that she is also on the sick list.

The Matron's Sewing Circle was pleasantly entertained last Thursday afternoon by Mrs. Lillian M. Paschal Block cake and lemon sherbet was served by Miss Louise Conner.

DARKEN GRAY HAIR, LOOK YOUNG, PRETTY

Sage Tea and Sulphur Darkens So Naturally that Nobody Can Tell.

Hair that loses its color and lustre or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.—Adv.

TAKE "CASCARETS" IF HEADACHY, BILIOUS AND CONSTIPATED

Best For Liver and Bowels, Bad Breath, Bad Colds, Sour Stomach.

Get a 10-cent box. Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels, or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret to-night will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.—Adv.

SALTS IF KIDNEYS OR BLADDER BOTHER

Harmless to Flush Kidneys and Neutralize Irritating Acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night.

ATTENTION!

Automobile Owners

WE will give you a VALUED POLICY insuring you against loss by FIRE or THEFT at the same rate that is usually charged for fire only and with a non valued policy. This policy is backed by a company with large surplus and cash capital of \$1,000,000.00.

Cars listed around \$1500.00 rate 1 1-4 per cent.

Cars listed around \$1000.00 and less including Fords, 1 1-2 per cent, no minimum charge made.

For further information "Talk it over with Peebles."

Are you going to take a trip in your car this summer? If so, protect yourself with a Liability Policy, which will cover any accident you may have and defend any suit for which you may be liable. Without protection your risk is great, with protection the cost is small.

TALK IT OVER WITH W. L. PEEBLES, MANAGER OF

Abbeville Insurance & Trust Company

ABBEVILLE, S. C.

The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is not a disease, but a condition that can be overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever. Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.—Adv.

LEMONS MAKE SKIN WHITE, SOFT, CLEAR

Make This Beauty Lotion for a Few Cents and See for Yourself.

What a girl or woman hasn't heard of lemon juice to remove complexion blemishes; to whiten the skin and to bring out the roses, the freshness and the hidden beauty? But lemon juice alone is acid, therefore irritating, and should be mixed with orchard white this way. Strain through a fine cloth the juice of two fresh lemons into a bottle containing about three ounces of orchard white, then shake well and you have a whole quart pint of skin and complexion lotion at about the cost one usually pays for a small jar of ordinary cold cream. Be sure to strain the lemon juice so no pulp gets into the bottle, then this lotion will remain pure and fresh for months. When applied daily to the face, neck, arms and hands it should help to bleach, clear, smoothen and beautify the skin.

Any druggist will supply three ounces of orchard white at very little cost and the grocer has the lemons.—Adv.

A CHILD GETS CROSS, SICK AND FEVERISH WHEN CONSTIPATED

Look, Mother! If Tongue is Coated Clean Little Liver and Bowels.

If your little one's tongue is coated, it is a sure sign the stomach, liver and bowels need a gentle, thorough cleansing at once. When your child is cross, peevish, listless, pale, doesn't sleep, eat or act naturally, if breath is bad, stomach sour, system full of cold, throat sore, or if feverish, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, constipated waste, sour

bile and undigested food will gently move out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take his harmless "fruit laxative." Millions of mothers, keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. Get the genuine made by "California Fig Syrup Company."—Adv.
