

TO THE PROPERTY OWNERS

OF

ABBEVILLE COUNTY

We Desire To Say That The Old Reliable

HOME INSTITUTION

Abbeville-Greenwood Mutual Insurance Association

An Association of the people, for the people, and by the people, for Twenty-Five years has been insuring the property of its policy holders, both in city and country, against damage by Fire and Lightning, Cyclones, Tornadoes and Wind Storms at one-half less cost than stock companies, and has never been in a more prosperous condition than at present. Property not insured against Wind storms is only partially protected

Speedy and fair adjustments of all losses of property are made at assessed valuation when insured, with no three-fourths clause attached.

Of the TWO AND A HALF MILLION DOLARS OF INSURANCE now carried, the money paid out is kept at home and every dollar goes to the loser of property, which means the up-building of your county.

The Federal Land Banks of the Government accept its policies as Collateral for money loaned.

It is a Member of the National Association of Mutual Insurance Companies.

The Following are a few of the many testimonials in regard to the Association:

Letter From Abbeville Banker.

Oct. 15th, 1917.

To Whom it May Concern:

This introduces to favorable consideration the Abbeville-Greenwood Mutual Association. This company has been doing business in this county, Abbeville, for twenty-five years, has always paid their losses promptly and has saved the insured considerable money in rates of insurance. They have kept an account with this bank and the same has been satisfactory to us. As managed by Messrs. J. R. Blake and J. Frazier Lyon they are doing a good work for the Counties in which they have operated and we take pleasure in commending them as first-class insurance company. I carry considerable insurance with them myself. Respectfully,
National Bank of Abbeville,
(Signed) J. Allen Smith, Pres.

From a Gray Court Farmer.

Gray Court, S. C., Aug. 4, 1916.

This is to certify that my barn recently insured in the Abbeville-Greenwood Mutual Insurance Association, was seriously damaged by windstorm, and the same day the Association was notified of the accident, it satisfactorily adjusted the damages. I heartily commend the Company for its prompt and businesslike methods.
(Signed) W. M. Stone.

Letter From Commissioner McMaster.

Columbia, S. C., April 14th, 1916.

Mr. J. R. Blake, Secretary-Treasurer,
Abbeville-Greenwood Mutual Insurance Association, Greenwood, S. C.

Dear Sir:

Your Association having complied with the laws of this State is now licensed to do business in Abbeville, Greenwood, Laurens and Edgefield Counties.

The record which your Association has made for the past quarter of a century in paying all claims against it and giving insurance at about two-thirds of the cost in the stock company should recommend it to the kindly consideration of the citizens in the several counties in which it is licensed.

I can but believe that with the careful selection or risks both in respect to physical, moral and financial hazards, in the future your Association should be able to reduce the cost of insurance still further.

This Department will continue to exercise the most careful supervision over the affairs of your company in the future as it has done in the past:

Yours truly,

(Signed) F. H. McMASTER,
Insurance Commissioner.

Letter From Greenwood Banker

To Whom it May Concern:

We are glad to say a word in behalf of a valued customer of ours, the Abbeville-Greenwood Mutual Association. This Association has been doing business in this and the adjoining county of Abbeville for some twenty-five years, and our understanding is that they have paid all losses promptly. They have done considerable business with us and we have found them reliable and prompt in meeting obligations. From our knowledge of the methods of the Association in the past, we cheerfully recommend it to the favorable consideration of those in adjoining counties desiring reliable insurance on their property. I have a policy with the company myself.

Respectfully,
(Signed) J. T. Medlock, Pres.
National Loan & Exchange Bank
of Greenwood.

Oct. 8, 1917.

From Dr. W. T. Jones.

I am a charter member of the Greenwood Mutual Association and it gives me pleasure to state that I have sustained two or more losses and the company promptly adjusted them. I have found the assessments much lower than the old line Companies, and therefore recommend this Company to those wishing to insure their property.

Respectfully,
(Signed) W. T. Jones, M. D.
Ware Shoals, S. C., Oct. 10, 1917.

To those who desire safe protection for their property, at the minimum cost of insurance, and would co-operate in building up home enterprises, we would say insure in the Abbeville-Greenwood Mutual Association.
