

Fish and Blood and Potash Fertilizer

Labor will be scarce this year unless there is a decided change and that makes it necessary for you to fertilize heavily so you can make full crops on the land you get cultivated. Farm products will bring good prices this year, prices that will justify you in fertilizing liberally and while potash is high it will pay you to use some. You want good crops while prices are good. Where crops have been made without Potash and now gray lands are needing it and one per cent of Potash will help the crops on red land.

Potash is a medicine; it wards off diseases and keeps the plants healthy and strong and when a plant is healthy and strong it will grow and blossom and fruit and you'll have abundant crops. There is as much difference between a healthy plant and a sickly plant as there is between a healthy pig and a sickly pig, so far as profitable returns are concerned.

Potash keeps your crops healthy and healthy crops are the only ones that pay. Keep the crops healthy while the prices are good. Make good crops when crops are worth something. Strike while the iron is hot.

We have the Potash and don't you forget it, we have the Fish and Blood Fertilizer. When you get Fish and Blood and Potash goods you get the best to be had in fertilizer. If you don't make a crop with that it will not be the fault of the fertilizer—for there is nothing better. And now, finally, when labor is scarce and high and prices for farm products are fine don't stint the fertilizer—make all you possibly can on the land you cultivate. Fish and Blood and Potash goods may be the solution of your farming troubles this year. We have the Fish and Blood and Potash goods—they are for sale—come to see us. You know where to find us.

Anderson Phosphate & Oil Co.
W. F. FARMER, Secretary.

Fresh Lot of Fine MULES

Will arrive from the market this week

This is the best lot I have ever shipped. Come and give them a look over before buying. The price is right and the mules are right.

TEACHERS' MEETING.

The teachers of Abbeville County will hold their next regular meeting in the Court House on Saturday, Jan. 26, at 12:00 o'clock. The meeting will be addressed by Dr. Currell. Dr. Currell always has something interesting to say to teachers, and they are especially urged to come out and help to make this meeting a success.

Increase the Yield of Farm Crops

NOW—when we face the most critical food situation in America's history, it is imperative that every acre of land be made to produce its utmost. Crop production must be speeded up—methods must be devised to insure heavy harvests, for we must provide food, not only for our own countrymen—but for the starving countries of Europe, as well. Corn, cotton, truck, barley, wheat, oats—these, and all other crops, will bring phenomenally high prices, and a little attention given to the proper soil dressing NOW, will repay you a hundredfold later. Planters Fertilizers are especially suited to the needs of Southern soils. They have been used with unvarying success throughout the South for years. Ask any farmer who has used them and he will say:

PLANTERS FERTILIZER DOUBLES YOUR YIELD

For every crop you plan to sow, there's a Planters Fertilizer especially designed to increase the productiveness of your soil. Ask our agent in your town for information, free advice, or prices, or write us direct—NOW. Remember, you should be careful in ordering to specify PLANTERS FERTILIZERS—other brands are unsatisfactory substitutes. Look for the well-known Giant Lizard Trade-Mark, stamped plainly on every bag. It's your protection from dissatisfaction. Do not accept it unless it bears this distinguishing mark. Orders should be placed early to avoid delayed deliveries, due to the congestion of freight and traffic due to the war.

Everyone knitting for the Red Cross are urged to have all work turned in ready for shipment by February 1st, 1918.

Mrs. E. R. Thomson,
Sec. Knitting Committee.

1-23-3t

NEW RESIDENTS

A. B. Galloway of Clinton, was in the city this week looking over the place. He intends to come here to open up a first class barber shop. He has a small family. Our town people will be glad to have them come here to make their home.

WINTHROP GIRLS DOING THEIR "BIT"

Winthrop has a strong Red Cross chapter, an auxiliary to the one of the city of Rock Hill. Last Spring two hundred and fifty of the students completed a course in first-aid, given by the physicians of Rock Hill. In the fall the girls rolled two thousand trench candles and sent them to the soldiers in France. These were made from strips of newspaper and boiled in paraffin, the money necessary for the work being raised by the girl themselves.

The Domestic Art Department, as a part of its regular course of study, is sewing for the Red Cross. In the Freshmen class each girl makes one bathrobe, one bed shirt, one pair of pajamas, two bandages, one pair of bed socks, and a cover for a hot-water bottle. As there are three hundred girls in this class, the total of the work done is three hundred of each article.

As to knitting for the soldiers, the Winthrop girls are doing their share. Between classes and at recreation periods, most of the thousand girls are plying the needles, and many a boy in khaki has and others will have warm garments from our Winthrop girls.—Winthrop Weekly News Letter.

WAR SAVINGS STAMP.

Charleston, Jan. 24.—"We intend to make it as easy for anyone to purchase a war thrift or war savings stamp as it is for anyone to buy a stick of gum," was the statement made today by P. M. Rea, war savings vice-director for the state of South Carolina, in formally announcing a special drive which has been instituted for the purpose of securing agents in the sale of war savings stamps.

Of about 350,000 authorized agencies which the government hopes to appoint before the first of February, South Carolina's allotment is 5,489. Of this quota, the state has responded with only 2.4 per cent, only 135 agents having been appointed through January 15, according to official advices received from Washington. Of 52 quotas, South Carolina is 47th, or only 9th, from the last, and it is this fact that has prompted the war savings committee to make special drive towards securing agents. Application blanks may be secured from postoffices, county chairman, or second class agents, such as banks, and should be signed and sent to the state headquarters in Charleston, R. G. Rhett, director. Application should be made at once.

"We expect to have a sales agency for every 300 population," Mr. Rea stated, "Any individual, firm, store, or corporation may become an agent by making application. It entails no expense whatever, and helps the patriotic work considerably. To sell these stamps for the government is to take care of our boys at the front, to help win the war, and to increase the economic strength of our state and nation."

Pay up your subscription before your name is out of.

ANNUAL STATE TEACHERS' ASSOCIATION

Rock Hill, Jan. 22.—The next annual meeting of the State Teachers' Association will be held in Columbia March 14-16 inclusive. The general sessions will be held in the Columbia Theatre and the department meetings will be held in the high school building and other adjacent rooms.

Strong programs are being arranged by President J. P. Kinard and each of the department superintendents. Special emphasis will be given to the subject of the schools meeting the needs of the changed conditions in every phase of life. There will be three general meetings of the association. On Thursday evening a prominent speaker will address the meeting and on Friday evening the dramatic club of Columbia will present a play. This will be under the direction of Dr. Wauchore, of the University. Saturday morning will be given over to a business meeting.

Both the Chamber of Commerce and the Y. W. C. A. are now arranging a list of hotels, boarding houses, private homes for the entertainment of the teachers. Those in charge of local arrangements in Columbia assure all who come of a comfortable place to stay. Columbia has a number of new restaurants and it is certain that comfortable accommodations can be had. A list of hotels and rooms will be sent out about the middle of February.

Following are the officers: Dr. Jas. P. Kinard, Rock Hill; R. C. Burts, secretary, Rock Hill; W. E. Black, Treasurer, Lexington; D. T. Kinard, Dillon, Mrs. E. E. Watkins, Columbia, vice-presidents; Department presidents are as follows: College and Secondary Schools—M. N. Snyder, Spartanburg; Superintendence—Patterson Wardlaw, Columbia; Primary Teachers—Miss Mildred Tillinghast, Eastover; Grammar Grade Teachers—Miss Annie S. Workman, Laurens; School Improvement Association—Miss Madeline Spigner, Columbia; Teachers of English—W. Thomson Brown, Rock Hill; Home Economics—Miss Mary McGowan, Rock Hill; Industrial Teachers and Public School Principals—W. S. Wertz, Columbia; County Superintendents—R. S. Rogers, Dillon; Language Teachers—Miss Susie Brunson, Darlington; Kindergarten—Miss Adele Minahan, Charleston; Teachers of Pedagogy—Patterson Wardlaw, Columbia; School Peace League—J. M. Johnson, Rock Hill; Rural Teachers—Miss Charlotte Wiengs.

The dues of the association are: \$1.00 for men and 50 cents for ladies. This should be sent to W. E. Black, Lexington.

Y. P. C. U. OF DUE WEST.

The Young Peoples' Christian Union of Due West, sent nice Christmas boxes to the Due West soldiers and the Presbyterian of this week contains interesting letters of thanks from the young men. The Christmas boxes sent from the different organizations seem to have added much to the pleasure of the soldiers.
