DR. LYNN ELECTED PRESIDENT

The Board of Trustees of Thornwell Orphanage at its Annual Meeting held in Clinton on the 13th inst, had a fine report made to it as to the condition of the Orphanage. However, on account of the high cost of everything now is a most urgent time for the friends of the orphans to come to their help. Can't you send in a contribution? I will gladly receive and forward it for you.

The most important matter was the election of President to succeed the founder and former beloved head of the institution, Dr. Wm. P. Jacobs, who was called to his reward not quite a year ago. We were very fortunate in securing for the Presidency Rev. J. Ross Lynn, D. D., of Jacksonville, Florida. Dr. Lynn has been a member of the Board of Trustees for several years, and is therefore, by his connection with the institution and the deep interest he has taken in its welfare better suited for the place than one on the outside would have been. He is a man of fine christian character and has shown his ability in his work, in and for, the Church for a number of years. He is in the prime of life and all that he needs is the hearty support of the Church, and all of the friends of the Orphanage. Won't you do your part? Dr. Lynn will move to Clinton about the first of July. Amos B. Morse.

TROOP TRAINS.

A troop train passed through Abbeville Sunday afternoon and gave the patriotic something to do in going to the shops and talking to the boys.

Supper was served to the soldiers from the train, each man moving in single file past the kitchen car and being helped in his camp kit to beef hash, baked beans, bread, jam and ice tea, after which they were given liberty to sit around on the grass and eat in the open air. Five hundred and twenty men were on the train and it was a sight for our people to see the system with which the supper was given out. The ladies of the Canteen, served punch, cigarettes, post cards and books to the men.

Most of the soldiers were from New York State and were going from Camp Gordon to Camp Lee.
