CANDIDATES

FOR SENATE.
We are authorized to announce J. HOWARD MOORE, Esq., as a candidate for the State Senate from Abbeville County, subject to the rules of the Democratic primary.

THE PUBLIC IS LISTENING.

The reasons why everyone in South Carolina is expected to sign the pledge during the War Savings campaign which is now on, were stated in a statement issued by the War Savings committee, which reads as follows:

"The person who refuses to sign the war savings pledge will go on record as refusing to stand back of

our army and navy at a time when the cause of humanity is depending on the strictest efforts of every man and woman in America. Such a person, regardless of his intentions, will find that his loyalty will be questioned, because in refusing to sign the pledge to save and to economize he will be disobeying the mandate of the President. It is unthinkable, when the welfare and safety of our heroic soldiers and those of our Allies are depending on the support which is expected from those at home, that there is one loyal man or woman who will refuse to sign the W. S. S. pledge.

"The public will listen with scant patience to the person who claims that he cannot afford to sign a pledge or who utters the thoughtless statement that there are too many campaigns. The public will not tolerate these two attitudes. There is no man or woman in South Carolina who cannot invest at least \$4.17, and the great majority can invest considerable more in War Savings Stamps. Each individual will be expected to pledge the maximum amount he or she can save during the year. As far as campaigns are concerned, until the monstrous German power which planned and precipitated the most dreadful war which has ever scourged the earth is shattered, there can not be too many campaigns! Until we have rid the world of the curse of German lust for power, we expect and must welcome campaigns after campaign for the cause of victory.

"And because the W. S. S. campaign is a test of loyalty we know that every person in South Carolina will respond—will proudly enlist the army of savers which President Wilson has called for—will sign the pledge cheerfully and gladly, with a feeling of deep gratitude that this way we can partially requite the heroic sacrifices which our fighting men are making."

Mr. Dale Barksdale and daughter of Abbeville, are guests today at the home of Mr. J. K. Durst.—T. Index.
