NOTES FROM THE CITY SCHOOLS.

The literary societies have been organized in the high school for the first term. The meetings are to be held in the class rooms. The Lanier Society is composed of the members of the tenth grade, and has elected Lois Ferguson president, Ruby Mann, vice-president, and Mary Hill Harris secretary. The tenth grade, under its old name, The Carolinian, has chosen James Coleman for president, Lina Nickles, vice-president, and Mary Stevenson, secretary. The Wilson Society was organized by the ninth grade with Elizabeth Gambrell president, Hal Moore, vice-president, and Mary White, secretary. The members of the eighth grade have not decided on a name, but have elected the following officers: President, Willie Eakin; vice-president, William Long; secretary, Gilbert Nabers.

The different societies expect to meet together at times and exhibit before one another the excellent work they mean to do. Parents and visitors are welcome at all meetings. Each society will hold a meeting on every Friday afternoon.

The boys of the high school are being drilled for a short time at recess every day. The girls are looking forward keenly to the purchasing of a new basket-ball outfit and the making of a court.

The tenth grade pupils have become bookworms since discovering O. Henry's books which were added to the library during last summer.

His grade, and, we dare say, the whole high school, will feel severely the loss of Davis Kerr, who leaves us to attend B. M. I. His arguments, funny antics, amusing remarks and all round cheerfulness kept us on the jump.

The eleventh grade is a grade of "bluestockings." All the boys are working or have gone to Clemson.

Mr. Daniels: What is the matter with the example you have at the board?

Sophie Reames: I don't guess anything is the matter with the example, but I can't get it.

Miss Helen Eakin spent the last week-end with her parents in Greenwood.

Lina Nickles spent the week-end at his home in Hodges.

J. C. Cheatham arrived in the city last week and resumed his studies with the tenth grade.

The entire sixth grade has volunteered to assist as much as they can with the Fourth Liberty Loan. Miss Tennant's last grade, the present seventh grade, held the banner last year for raising most funds for the Red Cross. We wonder whether it, the new sixth grade, or some other grade, will hold this honor this year.

HAVE DARK HAIR AND LOOK YOUNG

Nobody can Tell when you Darken Gray, Faded Hair with Sage Tea.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

TAKE

CARDUI
The Woman's Tonic

She writes further: "I am in splendid health . . . can do my work. I feel I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

Your car's usefulness is increasing every day. It is becoming more and more of a real necessity to you—both in your business and home life. For that very reason you need good tires, now, more than ever. The out-and-out dependability that created so tremendous a demand for United States Tires in times of peace is even more desirable today.

It reduces tire troubles to the vanishing point—multiplying the usefulness of your car and putting the cost of operation on a real thrift basis.

United States 'Nobby', 'Chain', 'Usco', and 'Plain' are the most popular fabric tires built. They have all the strength and stamina our years of experience have taught us to put into tires.

There is also the United States 'Royal Cord', the finest tire built for passenger car use.

Our nearest Sales and Service Depot dealer has exactly the treads you need for your car and the roads you travel.

He will gladly help you pick them out.
