**MEET YOUR OBLIGATION TO OUR SOLDIER BOYS**

Pledges to United War Work Fund Now Due, and the Boys Need the Money.

When orders were given to the boys "over there" to advance, they advanced. They did not promise to go and then fall behind when the time came for them to go "over the top." Their prompt response and their undaunted courage won the war and saved the world from Hun domination.

Now it is up to us to save the boys from further suffering and from absolute ruin. We have promised to give them every comfort possible, and we must keep our promise to them.

Payments are now due on the pledges, and those who have neglected to meet their obligation should neglect it no longer. Many pledges are being paid. None should be allowed to lag.

Every cent that can be collected is necessary to carry out the plans of the welfare workers who are engaged in caring for the noble boys who offered their lives on the field of battle, and the need for cash is right now.

When the boy comes back he will be able to tell us that he went "over the top" every time opportunity offered, we want to be able to tell him that we went "over the top" every

time a call came. We must be as prompt as were the boys, or we will not be able to look them in the face when they come back.

We should pay our pledges with the same machine-like regularity as the soldier boys went to the front at the call of their commanders on the battle fields of Europe.

The Red Cross life line helped to save Belgium.

Red Cross Canteens put the "pep" in the Marines.

**LADIES! DARKEN YOUR GRAY HAIR**

Use Grandma's Sage Tea and Sulphur Recipe and Nobody will Know.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

**MEAT CAUSE OF KIDNEY TROUBLE**

Take a glass of Salts if your Back hurts or Bladder bothers—Meat forms uric acid.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.
