## DEPARTMENT STORES

COMPANY, Inc.

Three Stores

ABBEVILLE, SOUTH CAROLINA

Many Departments

February Fifth was the winding up of one of the most successful discount sales this company has ever held. It was successful because it filled the different purposes for which it was intended.....

To reduce winter stock, stimulate business and again show the public that our sales offer an unusual opportunity to save good hard dollars by trading with us.

We cannot continue as it has been but where stocks are badly broken, we will offer greater reductions than before.

Ladies' Boots and Shoes in small sizes and odd lots are offered at ridiculously low prices.

Come in and look at these little boots, beautiful styles, at about one-half price.

Our Men's and Boys' Suits and Overcoats can still stand a little hammering and we will allow 20 per cent. discount for cash in these lines for another week.

Our Dry Goods Store still looks crowded, so we will continue the 20 per cent. discount throughout this store for a short time.

You do not have to know slight of hand to make a dollar do tricks for you here—so we hope you will continue to take advantage of this opportunity to save.

## Relieve Your Rheumatism For 25c.

NR does it by improving digestion, assimilation and elimination—the logical way.

### NR Today—Relief or No Pay

There are three vital processes of human existence,—the digestion of food, the extraction of nourishment from it and the elimination of the waste.

Let anything interfere with these processes,—let them be interrupted or improperly carried on, and sickness of some kind follows.

Poor digestion and assimilation means failure to derive full nourishment from food and that in turn often means impoverished blood, weakness, anemia, etc. Poor elimination means an accumulation of waste matter which poisons the body, lowers vitality, decreases the power of resistance to disease and leads to the development of many serious ills.

Rheumatism,—due to some interference with the process of elimination, failure to get rid of certain body poisons,—cannot be expected to yield to any medicine that fails to correct the condition responsible for it. Could any reasonable person expect to rid himself of rheumatic pain as long as

rheumatic poison is allowed to remain in the body. Think of this: It explains the success of Nature's Remedy (NR Tablets) in so many cases where other medicines have failed. Thousands are using NR Tablets every day and getting relief. Why pay five or ten times as much for uncertain things? A 25c box of Nature's Remedy (NR Tablets), containing enough to last twenty-five days,—must help you, must give you prompt relief and satisfactory benefit or cost you nothing.

And Nature's Remedy is not only for the relief of rheumatism. It improves digestion, tones the liver, regulates kidney and bowel action, improves the blood and cleanses the whole system. You'll feel like a new person when you've taken NR Tablets a week. You've tried the expensive medicines and doctors, now make the real test. You'll get results this time. Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.
