

LANCASTER FREED
BY JURY'S VERDICT

Columbia, Sept. 20.—A verdict of "not guilty" was returned shortly after midnight by the jury in the case of Eugene M. Lancaster, motorcycle policeman of the Columbia police force, on trial for the murder of his wife, Mrs. Allie B. Lancaster. The killing occurred on May 28, of this year, at which time Lancaster also shot to death Newton S. Lorick, his wife's companion in an automobile. Lancaster is still to face trial for the killing of Lorick, but this case will not come up at the present terms of court.

Though locked up for the night, about 10:30 o'clock, the jury let it be known about 11:30 that a verdict had been reached, and officials of the court returned to receive it. It was read shortly after 12 o'clock.

We bought our stoves and ranges believing that the average housekeeper cares more for the cooking qualities, and low fuel consumption of a stove, than for a lot of nickel trimmings.

This is especially true when the difference in price will buy her a pretty dress, and leave something in the old man's pocket for future "raids."

We have stoves from \$18.50 up, and ranges at \$60.00 to \$70. which are real values.

Heaters and Oil Stoves of all kinds, and in a wide range of prices.

Come in and look them over; we know you will be pleased.

Our stores will be closed next Thursday and Friday, Sept. 25 and 26.
