

JOINT LAND SALE

Monday Nov. 24th

800 Acres of the best farming land, close to city in this County: Pat Roche land, 400 acres; G. W. Syfan and G. E. Calvert farms, 250 acres in first place and 145 acres in second. Land is cut in small tracks, suitable for any buyer.

Attractive propositions like this don't come every day-- Very little land near this city is for sale at any price.

Now is your time to get land near Abbeville which is certain to double in value the next 12 months --or sooner.

This city is growing very rapidly now, business was never better-and this condition is certain to continue.

A new cotton mill will be built in the near future; \$200,000 is being spent for paving; new business is starting here every week; the matter of good roads, for which a bond issue of at least \$1,000,000 will be issued, will be brought up at next meeting of the State Legislature.

This project cannot fail.
