THE UNIVERSAL CAR

The Ford One Ton Truck is serving business just as faithfully and economically as does the Ford Faithful Car serve all the people faithfully and economically. The Ford Truck is a necessity to the grocer both in delivering goods and in bringing goods from the stations, docks and from the country. It is an ideal motor car because there isn't a want of the farmer or business man that it doesn't supply in the way of quick transportation at a minimum expense. Come in, examine the Truck, and let us talk over the subject.

LOWNDSEVILLE

Married by Rev. H. G. White at the Parsonage, March 21st, Mr. W. B. Brown and Miss Ada Hall, both of Iva.

The High School opened Monday after having been closed two weeks. All the teachers and most of the pupils reported for duty. The flu situation has about cleared up and it is hoped there will be no more interruptions in the school work until its close, May 15th.

Mrs. John T. Baskin is lying in a critical condition at her home. It is not thought that she will survive many days. Her sons, Mr. Edward Baskin, Lincoln, Ga., and Dr. Gus Baskin, Greens, have been called to her bedside.

Mrs. Camille Lemmon, after a fortnight's visit to her parents, Mr. and Mrs. Robt. Smith, has returned to her home in Jackson, Mich.

Mr. Ray Clinkscales has recovered sufficiently to resume his work on the railroad.

Dr. Kirkpatrick took two patients to the Anderson Hospital a few days since. Mr. Alonzo Waters cut his knee and developed blood poison. Mr. John Humphreys had a case of appendicitis.

Mrs. E. W. Harper, Sr., has returned from Anderson and Greenwood where she visited relatives.

Miss Lucile Kirkpatrick, a student of the Due West Woman's College, spent the week-end with her parents Dr. and Mrs. Kirkpatrick.

Mrs. E. J. Huckabee is convalescing from a very severe case of flu. Mrs. Boozer Bonds nursed her during the worst part of her attack. Our town is fortunate in having a residence nurse. Mrs. Bonds was a nurse before her marriage and still renders efficient service in times of need.

Miss Ella Floyd has returned to Greenwood to resume her work as matron at the Orphanage.

Lieutenant Walker P. Carwile, Donalds, was a pleasant visitor to relatives last week. He has returned recently from Germany, where he spent a year as Officer in the Army of Occupation. It is highly instructive to hear him talk of Germany, her people and her chaotic conditions. He was wounded twice on French battlefields. He is a young man of brilliant parts. A first honor graduate of Erskine and a post-graduate of the University of North Carolina.

Mr. and Mrs. A. V. Barnes and Master James, spent the week-end at Deans with Mr. and Mrs. J. Fred Dean.

Mr. and Mrs. Junior Hargrave spent

several days in Anderson last week with relatives.

Turner Greer, a colored farmer, lost a valuable young mule from a careless accident Monday. The mule hitched to a loaded wagon standing at D. K. Cooley's store, became frightened, ran, jumped upon an up-standing post, completely disemboweled itself and died in a few minutes. This should be a warning to drivers, never to leave stock hitched securely. Turner being a worthy colored man, the people gave him a nice sum of money with which to purchase another mule.

Mrs. B. B. Allen is spending this week in Anderson, the guest of her sister, Miss Lois Watson.

Miss Virginia Latimer continues to improve, but is unable to be on the streets. She is a great favorite and has the sympathy of everyone in her prolonged illness.

PAYMENT OF TAXES IN LARGE FIGURES

Washington, March 24.—Income and excess profits taxes aggregating \$908,829,172 were paid as the first instalment of the nation's tax bill for 1919.

While these figures do not represent an exact one-fourth of the taxes for last year they indicate collection for the entire year of about \$3,000,000,000 officials said tonight. The first installment more than offset outstanding treasury certificates of indebtedness issued in anticipation of the payment and leaves the treasury in a position to continue its financial program outlined several months ago. Collections included:

Florida, 43,026,629; Georgia \$8,133,301; Louisiana, \$10,682,655; Mississippi \$6,333,000; North Carolina, \$9,880,056; South Carolina, \$6,291,503; Virginia, \$11,184,842.
