## EAT LESS MEAT

Take a glass of Salts to flush Kidneys if Bladder bothers you-Drink lots of water.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, be-cause the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and mis-ery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

he moment your back burst or kid-neys aren't acting right, or it braduce bothers you get about four concess of and Salts from any good pinermany; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the

acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone;
makes a delightful effervescent lithiawater drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.
