

LOWNESVILLE

Mrs. Louisa Tribble Brown died at her home near here on last Saturday and was buried the following day at Union Church. She was in her 84th year and had been suffering from the infirmities of old age for the past year. In early womanhood she connected herself with the Methodist church and had lived a faithful consistent life. Her husband preceded her to the grave several years ago. She is survived by one daughter, Mrs. J. T. Drennan and seven grandchildren.

Mr. Thomas Loftis died at his home near town a few days since, interment was made at the Ridge church. He had been a patient sufferer for many months and was in his 74th year. He was a member of the Methodist church and was a honest upright man. He leaves a wife and several children and numerous grandchildren.

Miss Chirstine Kay has returned from Winthrop College where she finished her course. Miss Kay was vice president of her class numbering 208 members and was voted one of the most popular and best loved girls that has ever left the institution. In a short time she will join a party of Winthrop teachers and friends and make a tour going

by way of the Great Lakes to the Pacific Coast and returning by a Southern route. Probably, later in the year, she will cast her lot among those with whom the poet sympathized when he wrote:

"Uneasy lie the heads that rule,
Most uneasy his, whose kingdom is a school."

Messrs. Rmebert Allen and Alvin Hardin have completed their course at Clemson College. Mr. Allen left today for Washington, D. C., where he will open an architect's office. Mr. Hardin has formed no definite plans. He was a volunteer in the World War and spent two years overseas. Doubtless, were he to follow his inclination, he would wander again, to the "Emerald Isle" and settle down for life with the "Sweetest Girl in Erin."

Alabama Minister Relieved

Stomach Troubles Made Him Feel Sick at Meal Times, But Now Always Enjoys His Meals.

DO YOU enjoy your meals? Eat without the dread of the after-effects?

Lack of appetite, and a disagreeable, sick-at-the-stomach feeling after meals, usually indicate that your digestive organs are not working properly. As a result, you will feel weak, lose weight and lack the energy that is to be derived from well-digested food.

A valuable help in correcting such conditions is mentioned by the Rev. W. K. McKenzie, of Route 1, Section

Ala., who writes: "I had stomach trouble. When I would go to eat, I would turn sick. I took one bottle of Ziron and it cured me. Am always ready for my meals and enjoy them. I think it is a fine medicine."

If your food hurts you, if your appetite is poor, if you are pale, weak and run-down, and have other symptoms that indicate your system needs help try Ziron. It will put iron into your blood and help build you up. Take it according to directions, and if not benefited by the first bottle, the money back guarantee will protect you. Ask your druggist.
