### WILLIAM MOFFATT GRIER AS AN EDUCATOR

The South Carolina Education, a monthly journal published by the extension Department of the South Carolina University as a monthly and edited by Dr. Patterson Wardlaw, an Alumnus of Erskine College has as its leading article in the October number, a sketch of William Moffatt Grier as an Educator. This article is written by Dr. I. McCain of Erskine, a collaborator for years of Dr. Grier. It has evidently been a labor of love on the part of Dr. McCain. The task has been exceptionally well performed. Dr. McCain says: "As this article is concerned mainly with the educational work of Dr. Grier, it will be necessary for me to give only such biographical details as seems to throw light on this work."

Dr. McCain introduces into this sketch some fine things connected with the life work of Dr. Grier. It is history that ought to be preserved. The conception and the execution of this work does credit to Dr. Wardlaw, to Dr. McCain, to the memory of a great and good man and to Erskine College, the mother of all three.—A. R. Presbyterian.

### CASUALTY LIST NOT COMPLETED

#### Two White Men Killed and Negro Lynched—Clash in Florida.

Orlando, Fla., Nov. 3.—The full casualty list of Ocoee, 12 miles from here where two white men were shot to death and one negro lynched yesterday in an election riot and several negroes perished when the buildings in which they sought shelter were burned and not reached here tonight. Armed white men were reported patrolling the region and closing in on negroes who fled to the woods, the pursuit being accompanied by intermittent firing.

More than 20 buildings in the negro settlement were burned. Reports from Ocoee tonight said that explosion of considerable amount of ammunition occurred as the flames swept the buildings and that numerous fire arms were found in the ruins later. Some reports said five negroes died in the flames. One negro woman was among these, it was said but no children.

The battle was precipitated by attempt of July Perry, a negro to vote after he had been refused the privilege by election judges on the ground that he had not paid his poll tax. He returned later armed with a shot gun but it was taken from him and he was driven away.

After dark last night, according to reports from the scene, Perry again approached the polls accompanied by a number of other negroes. The white citizens at once formed a posse and dispersed the negroes who fled to the negro settlement. The posse followed and witnesses said the negroes opened fire from the building. A member of the posse was wounded, but reinforcements arrived and it proceeded when the firing became general.

The attackers centered on Perry's house intent upon arrest. Two of the white men, Leo Bogard and Elmer McDaniels, both former soldiers, were killed in the back yard of the house, their bodies being found hours later.

A negro said seven or eight armed negroes were in the Perry house which ultimately was set on fire to dislodge them, the flames spreading to their buildings.

Perry himself apparently was captured and later taken by a mob and lynched. It was stated tonight that he was taken from an automobile in which he was being carried to the jail after having been treated at a hospital. Details of his capture were lacking.

They gave bond of \$12.50 each, the sum paid in pennies, nickles and dimes.

#### MILLIONAIRE OIL MAGNATE OUTWITTED BY LOCAL MAN

J. C. Arnold Obtained For Trifling Sum An Asset For Which Millionaire Had Offered A Million.

J. C. Arnold, printer and linotype operator, of Huntington W. Va., has he says, the distinction of putting one over on the country's greatest oil magnate. In an interview Mr. Arnold tells the full details in a most interesting manner.

"About a year and a half ago," says Mr. Arnold, "I began having attacks of stomach trouble, which continued getting worse until my liver and kidneys were so affected that I was forced to quit work. I had been working night shift on an Akron paper and shifted to day work, thinking a change of hours would help me, but without avail. I was taking medicine continually, and had first one doctor and then another but kept getting worse. Every time a friend suggested a remedy I tried it, until at last some one recommended The Reese Formula R-11. By this time I had given up hopes but began taking The Reese Formula R-11. I had no confidence in it or anything else. Imagine my surprise when after taking half of the first bottle my condition began to improve. I continued taking it and before finishing the third bottle I was completely restored. I am again working and feel better than I have for many years."

"The Reese Formula R-11," continued Mr. Arnold, "cost me a dollar and a quarter a bottle and considering the fact that a millionaire oil magnate offered a million dollars for a

relief from stomach trouble I think I am some financier.

"But then people don't think they can get relief unless it is expensive. All I can say is that it only cost one dollar and twenty five cents, the price of The Reese Formula R-11, to relieve stomach trouble, for my case has proven it."

The Reese Formula R-11 is sold by all druggists in Abbeville and vicinity and is being demonstrated at The McMurray Drug Store.

Anyone suffering from indigestion, nervousness, rheumatism, backache, lumbago, sour stomach, heartburn, urinary, kidney or liver troubles of any kind will do well to stop in at this store today and talk over their case with The Reese Formula Company's representative. It does not cost one penny to do this and you are under no obligation whatsoever.—Adv.
