The chapter has grown to such numbers that it was decided that hereafter two or more hostesses will entertain at a meeting. Mrs. Tuttt put in her application for membership.

After the business was through with a delightfully entertaining program was carried out in celebration of the Armistice—yesterday being the anniversary of its signing. Miss Kilgore, the talented expression teacher, gave a reading "Land O' Mine," which was beautifully rendered. Several patriotic songs were sung; "America" the "Beautiful Dixie" etc. Mrs. Cheatham gave a talk telling what the Armistice meant to the mother of one son in the war and Mrs. Wilkinson told what it meant to the mother of five sons in the trenches. Mrs. F. J. Marshall spoke feelingly of what the peace had meant to the women of '65'.

**R-11 GAVE AGED WOMAN QUICK RELIEF AFTER DOCTORS FAIL**  
One-Half Bottle of The Reese Formula R-11 Accomplished in Three Days What Two Bluefield Physicians Could Not Do in Four Weeks Patient Now Feeling as Young at Seventy as She Did at Twenty.

After being stricken with influenza and pneumonia, closely followed by rheumatism, which confined her to bed for more than four weeks, Mrs. Hanna Chandler, 225 Tank street, Bluefield, W. Va., feels better today than she did at twenty years of age, despite her seventy-odd years. Mrs. Chandler says, concerning her condition and the merits of The Reese Formula R-11:  
"Last winter I was taken down with the 'flu.' I was considerably run down at the time and this with my advanced years made me an easy victim of the malady. Pneumonia developed, and for almost a week my condition was critical: However, my constitution stood by me and after a while I was able to sit up. But no sooner had I begun to recover from the 'flu' and pneumonia than I was almost completely paralyzed with rheumatism. Two doctors came to see me daily for more than four weeks, but I got no better. I did not eat anything during those entire four weeks, except a crust of corn bread or a piece of toast occasionally. One day my daughter read of The Reese Formula R-11, and I decided to try a bottle. I took just half a bottle when I was able to sit up, and after I had finished a second bottle of this wonderful remedy I felt just as well, if not better, than before I was stricken. I am seventy years old, but feel younger than I did at twenty, thanks to The Reese Formula R-11, which I have continued to take. I have gained fifteen pounds and now eat anything—in fact, my only trouble today is getting enough to eat."  
Mrs. Chandler has so much confidence in The Reese Formula R-11 as a body-builder that she now is giving it to her two grandchildren—six and eight years old.  
Thousands of similar testimonials are constantly pouring into The Reese Formula Company's offices from persons suffering from the after-effects of influenza and pneumonia, indigestion, nervousness, sleeplessness, lumbago, backache, female weakness, urinary, bladder, stomach, liver and kidney troubles. This remedy can be obtained at all leading drug stores, including The McMurray Drug Company.—Adv.
