

**GAME OF BALL SATURDAY**

The Abbeville Cotton Mills baseball team opened its season last Saturday in a close and well fought game with Ware Shoals. The Shoals players were victors by 4 to 2 and nobody could deny that they earned their laurels for their real action was confined to practically one inning of heavy hitting and the rest of the game was a stubborn fight to hold the advantage against the determined attack of the local boys.

This game was not only the opening game of the season for the Abbeville players but it was their first contest in the new enclosed park and the local fans turned out in good numbers. The Hatch Concert Band, under Director A. K. Patterson led the way from the city square to the park and enlivened a short delay in the arrival of part of the visiting team.

Abbeville retired the first three Shoals batters in quick style and then Reames led off for the home team by driving out a two base hit and scoring a few minutes later on Milan's single. This ended the scoring until the fourth inning which proved disastrous for Abbeville. Milan showed the softness of early season and after hitting Collingham the first man at the plate in the fourth, he gave Chalmers a hit to the fence for two bases and a tie score. A clean single and another two base drive gave Ware Shoals three runs before retiring. More determined than ever, Abbeville opened up with a single by Howie who tried for home shortly afterward on a two-bagger by Sealey but he was thrown out at the plate on a close decision.

Ware Shoals took one more run in the fifth inning when MacIntyre drove the ball against the left field fence for two bases, Collingham walked and Edwards singled.

Air tight baseball followed with Abbeville driving hard to recover losses. The last moments of the game brought their excitement

when everything seemed to be set for a ninth inning rally. Howie led off with a clean single, stole second and scored on a right field hit by Milan who took too big a chance and was caught at third trying to stretch his run for an extra base. This ended the scoring in a game that would have been a credit to mid-season baseball.

Abbeville will play at Ware Shoals next Saturday.

Well, it came off just as advertised. The Sale of J. M. Anderson Co. was a thriller. It opened April 7th like a flash, with seemingly all Greenwood County scrambling for admittance. Store was crowded, packed, jammed, filled to suffocation from opening hour until closing time at night.

The Sale Manager had his hands full to handle the stampede of bargain seekers, although a force of 20 sales people had been employed. They were swamped, utterly covered up with people from North, South, East and West. **The Doors Had To Be Locked at Times** to give those fortunate enough to gain admittance a chance to be waited upon. A great crowd waited in the street for their time to get in. An hour before the time to open people crowded in front of the store. Enthusiasm was at fever heat. Goods went like greased lightning.
