

GREENWOOD TO FURNISH NOISE FOR SHRINE CEREMONIAL HERE

(Greenville News.) For some time there has been heard in Greenville a rumbling sound, something akin to that of distant thunder, except that it was more regular. It has caused much more speculation and created far more interest than did the recent eclipse of the moon.

Yes, Hejaz Temple has one of "them things" too, although very few of the Temple's membership know it. However, those present on May 26th will have an opportunity to get acquainted with, and know, this notorious bunch.

Bound that Greenwood would be the town to furnish so important a part of the Temple's organization as the "Noise." But even "noise" that is of Greenwood's production is always well ordered and meaning, the kind that "sets the pace" as will be demonstrated to Greenville and her visitors during the Shrine Ceremonial.

The drum corps is hard at work, "beating and blowing" itself into fit shape, as any good Greenwood citizen will testify. Noble C. B. Barksdale is president, and Noble Roy C. Simpson is secretary, and the wonderful showing which this branch of the Temple will make at the Ceremonial will be largely the result of their untiring efforts.

In addition to the above mentioned officers they have a regular drum major in Wm. A. Huey. Now, "Bill" is good—they admit to. He openly boasts, himself, that he can wrap his baton around the flag-pole on Greenville's 17 story Woodside building and then catch it on his finger tip!

"Say" Bruce, I'm just crazy about cod-fish balls; do you think they are all right?"

"Can't say," answered Bruce, "I have never attended one."

An amusing incident in which the secretary of the drum corps, Noble Roy Simpson, recently figured has just come to light. A short time ago he was in Greenville from which place he expected to go to Atlanta, on a night train.

"For a single passenger?"

"No," Roy replied, "I'm married, but I'm not taking anybody with me. A single shelf will answer."

Do you know you can roll 50 good cigarettes for 10cts from one bag of GENUINE "BULL" DURHAM TOBACCO

GERMANS ARE GAINING A FOOTHOLD IN THE METAL MARKETS

St Louis, Mo., May 10.—Germany is taking active measures to once more gain ascendancy in the non-ferrous metal markets of the world, and is only delaying her plans until the reparations question is settled, according to Stephen S. Tuthill, of New York, secretary of the American Zinc Institute, who addressed a convention of the organization here today.

He asserted that at present Germany and Belgium are conducting negotiations for a re-establishment of their former trade relations in the metal market.

"The American Zinc Institute," the secretary said, "through private channels and confirmation in Washington, has obtained proof that Germany plans to re-establish her once famous 'karten' or European convention-syndicate control, better known as the 'metallgesellschaft,' with headquarters at Hamburg and Liege, and with offices in the principal cities of the world."

"The object will be again to obtain dominance over the non-ferrous metal trade, particularly zinc."

"One of the highest officials in Washington has confirmed this and he informed the institute a few days ago that prospects for a foreign market for American zinc are not bright." This he said left little market for the American output.

PRINCE HENRY TURNS TO MILITARY LIFE

London, May 10.—Prince Henry the third son of the king and queen, who attained his majority on March 31 is destined for a military career. Although thrust somewhat in the background by his elder brothers, the Prince of Wales and the Duke of York, Prince Henry is immensely popular with the public.

In stature he excels his brothers and is fond of sports and outdoor life. In pursuance of his inclination to be a soldier, he went through the army class at Eton, and afterward studied at Sandhurst, the English West Point.

Last August the prince was gazetted a second lieutenant of the King's Royal Rifles and at present is attached to the Thirteenth Hussars at Aldershot.

down to get up. I would advise you to take the lower, although it's higher than the upper, for the reason I have stated, that the upper is lower than the lower because it is higher. You can have the lower if you pay higher, but if you are willing to go higher, it will be lower."

"Too deep for me," said Roy, "I'll ride the smoker."

Hejaz Shrine Drum Corps

Mr. and Mrs. B. A. Uldrick and family spent Sunday with Mr. L. T. Uldrick.

Mr. and Mrs. C. C. Kay and children spent Sunday with Mr. T. F. Uldrick.

GREENVILLE POLICEMAN SHOT BY NEGRO, DEAD

Greenville, S. C., May 8.—Policeman George S. Burroughs a call officer died at 4 o'clock this morning from an internal hemorrhage caused by a bullet that is said to have been fired by William Thompson, a large 200-pound negro who the officer attempted to arrest on Martin street shortly before 9 o'clock last night.

Thompson who fled after the shooting, which occurred in a house in a negro settlement has not been apprehended, although city and county authorities are straining every nerve to effect his capture. All roads and trains leaving the city are being watched to prevent the escape of the negro. Police in nearby towns were notified to be on the lookout.

The officers, although off duty, went to the house in answer to a call. When he arrived at the house, Thompson, a drug-crazed negro, six feet tall and weighing 200 pounds, attacked him. In the scuffle that ensued, Burroughs was shot twice. Details of the fight are meagre, as the only witnesses are a negro woman and a negro who were living in the house, neither of whom said they saw the actual shooting. At the corner's inquest today the jury returned a verdict that Policeman Burroughs came to his death at the hands of the negro, William Thompson. Mayor H. C. Harvley today offered a reward of \$200 for information leading to the arrest of the slayer.

SUNDAY SCHOOL CONVENTION

A special reduced railroad rate of one and a half fare for the round trip has been granted to the South Carolina State Sunday School Convention which meets at Winthrop College, Rock Hill, June 8, 9, and 10th, and all prospective delegates are urged to avail themselves of it.

The reduced rate is given on the certificate plan, contingent upon at least 350 attending this convention and taking certificates. It is necessary to get certificates when buying ticket, paying full fare for the ticket going to the convention and getting the half fare rate upon presenting certificate for return trip.
