## PRESIDENT HARDING SIGNS THE RESOLUTION OF CONGRESS THAT ENDS WAR WHICH CONCLUDED TWO YEARS AND EIGHT MONTHS AGO.

Raritan, July 3.—The resolution of Congress declaring war with Germany and Austria-Hungary at an end was signed here late today by President Harding.

So that there might be no unnecessary delay in consummation of the long deferred state of peace the resolution was brought here by special messenger from Washington where it had been given final congressional approval yesterday. The messenger left for the capital again tonight to complete the formalities of the declaration by depositing the document in the archives of the State Department.

Washington, July 2.—Enactment of the compromise resolution ending the state of war with Germany and Austria finally was completed today by congress and the measure will be sent by special messenger to President Harding at Raritan, N. J., tomorrow. He is expected to sign it immediately.

At the White House, where the

resolution was received tonight, it was said that the messenger would leave here at 9 o'clock tomorrow, arriving about 2 o'clock at Raritan, where President Harding is the guest of Senator Freylinghuysen over the holiday.

Final action on the measure was passed by the senate which adopted the conference report by a vote of 3 to 19, after a day of debate in which the Democratic members made a last assault on the resolution. The house acted yesterday, the vote being 263 to 59.

The signing of the measure by the president will open the way for resumption of diplomatic relations with both Germany and Austria but administration officers have indicated that plans for this have not been worked out. All opponents of the resolution were Democrats but three Democrats Shields of Tennessee, Walsh of Massachusetts and Watson of Georgia voted with the Republicans for adoption. Senator Reed, Democrat, was paired in its favor.

Announcements were made that all other senators paired or absent favored or opposed the resolution according to their party affiliations. Senator Knox of Pennsylvania, author of the original resolution, was absent, but was paired with Senator Pomerene, Democrat, Ohio.

The resolution after the senate vote was signed by Representative Towner, Republican, Iowa, speaker pro tem, in the house in the absence of Speaker Gillett, who had gone to New Jersey with President Harding

It was then signed by Vice President Coolidge during an executive session of the senate and sent to the White House.

Final debate today was principally by Democratic opponents who declared that the Republican plan was futile and would necessitate a separate treaty of peace later or ratification of the treaty of Versailles.

For the Republicans Senator Brandegee of Connecticut made the principal address, declaring there would not be a treaty of "peace," but probably one or more of commerce, which, he said, would deal with questions arising out of the war. Senator Lodge of Massachusetts, Republican leader, entered the discussion briefly, mainly to support Senator Brandegee's contentions. Arguing that a peace treaty was not necessary to conclude wars, Mr Lodge said that the United States had negotiated treaties of commerce with Great Britain in 1812 and 1815 and also with Spain after the Spanish war.

In response to a query from Senator Harrison, Democrat, Mississippi, Senator Lodge said he knew of no plans by the administration to resubmit the treaty of Versailles to the senate.

Withdrawal of American troops now in Germany was discussed by Senators Brandegee, McKellar, Democrat, Tennessee, and others. Disclaiming to speak for the president Senator Brandegee said he believed the peace resolution would necessitate retirement of American troops from German territory.

Closing the debate, Senator La Follette, Republican, Wisconsin, expressed "dissent and denunciation" of the provisions reserving American rights to German property seized by the alien property custodian. Such action, he declared, was in violation of the treaty of 1828 with Prussia and also of international law. He added that he would reserve freedom of action in case future treaties dealing with German property should be presented.

A special issue of airplane service stamps of 15, 30 and 45-cent denominations has been prepared by the Chinese post office department, in anticipation of the air transmission planned for the near future in that country.
