lanta, December 14.

The Georgia railroad bought the Lexington branch from the McWhorter estate in 1898. The railroad claims that it is operated at a loss. he people of Oglethorpe are very much aroused over the possibility of the road being scrapped.

FURMAN HOME-COMING

Sons and Friends of Institution Meet December

Greenville, Dec. 2 .- Under the auspices of the Furman Club of Greenmovement to raise a smaller crop ville county, a home-coming of sons and friends of Furman University residing in twelve counties of the Piedmont section is to be held in this city on the evening of Tuesday, Decemebr 6. A banquet will be served in the social hall of the First Baptist church at 6 o'clock. More than six hundred special invitations to alumni of Furman have gone out and efforts to reach others are being made through newspapers and the various county clubs.

Federal Judge H. H. Watkins, president of the Furman club of Anderson county, has been chosen to preside at he banquet. The gathering will be purely of a social nature.

As the home_coming is timed to take place on the evening of the opening day of the annual session of the South Carolina, State Baptist Convention, it is expected that the attendance will be unusually large. Arrangements are being made for

> After experiencing heavy weather nearly all the way from New York the Toloa docked this evening nearly ten hours late and it was only after two hours of conferences with representatives of the American and British consuls and the acting first secretary of the American legation, Cord Meyer, Jr., that Captain Grant would give out any statement.

"RED" BARRON CAPTAIN

Atlanta Dec. 1 .- "Red" Barron was elected captain of the Georgia Tech football team for 1922 at a meeting of the varsity men of the 'Golden Tornado" of the past year here today. Barron has played half back since 1919.

REDUCED RATES TO GREENWOOD FRIDAY

Greenwood, Dec. 1-Special equipment will be put on and pecial rates satisfactory to the public will be granted by all railroads - entering Greenwood on Foch day, December 9, railroad officials of the S. A. L., Southern, Piedmont and Northern and C. & W. C., meeting here today with the local committee on transportation, declared. The exact rates will be announced tomorrow, the officials stated, but they assured the committee that the rates would be so low that they would be entirely satisfactory to the public.

Representatives of the railroads at the meeting today were: R. C. Cotner and George M. Bishop of the Southern, Fred Geissler and J. M. Elliott of the S. A. L., Mr. Tuthill of the P. & N., and Mr. Stites of the C. &

The local committee was assured the public need have no fear of not being properly handled by the railroads. Sufficient equipment will be carried on that day to bring the enormous crowds to Greenwood and to carry them away, the railroad of-
