# WHAT A THRILL OF DELIGHT

Comes to the children at the mere prospect of freezing Ice Cream at home. It is a time when each Kiddy realizes that there will be enough for that almost "never-to-be satisfied" craving for Ice Cream.

The older members of the family are themselves not without a certain thrill of having that good "home-made" Ice Cream. The expense is small, too, because the cost of DISTILLED WATER ICE isn't much and all feel amply repaid for the small expense and time.

That good "home-made" Ice Cream can be had almost on a moment's notice just any time of a hot day—if you always have a full supply of DISTILLED WATER ICE on hand.
