**THE DEATH RATE.**

The lowest death rate in the nation for 1921 was in Montana 8.2 per cent and the highest was in Vermont, 14.2 per cent. South Carolina's rate was 13.2. For 1920 it was 15.6.

**A UNIQUE ENTERTAINMENT**

Held at St. James A. M. E. Church Monday Night.

The members of St. James A. M. E. church, which is one of the strongest churches among the colored people in the up country, staged a most unusual entertainment at the church Monday night and raised \$400.06, to pay their church assessment and pastor's salary before the Rev. Henderson left for conference at Laurens on Tuesday.

This entertainment was a Mock Conference and was carried out by the women of the congregation. Georgia Gray acted as the Bishop and presided over the body with manly dignity. She looked the part in a Prince Albert coat, a vest, man's shirt and high collar. Her "presiding elders" were Emma Wilson, Mary Henderson, Rebecca Johnson, Janie Davis, and Josephine Wright. The parts of "pastors" were taken by such women as Alice Harris, Mary Adams, Lula Wright, Carrie Houston and other well known women around town. Each one was dressed as she thought a minister ought to be, Mary Adams appearing in a flourishing mustache and a wrist watch.

The women carried through the meeting with dignity and all were pleased at the large sum of money raised. The "pastors" bringing in the largest sums of money were Mary White, \$22; Sally Fair, \$24; and Josephine Robinson, \$30.50.

The Morgan Monument in Spartanburg is one of the most historic in the country. It was built by the Thirteen Original States of the American. The heroic statue surmounting the monument was design-

ed and executed by J. Q. A. Ward one of the most noted of American sculptors at a cost of \$20,000 which was met by a special appropriation made by the Congress at Washington. The inscriptions on the monument tell the story of the genesis its

purpose, its builders, and in most impressive language teach lessons of
