# Abbeville Water and Electric Plant

Please Report all Trouble with House or Street Lights to this Office—PHONE 190.

Abbeville, Dec. 14, 1922. Dear Santa Claus, Please bring me a big wagon and a little gypsy wagon and plenty of fire works of all kinds and fruits, candies and don't forget my little brother, Jack. Bring him a tricycle and a little car and plenty of fire works and fruits and candies. Henry, and Jack Whaley.

Abbeville, S. C., Dec. 13, 1922. Dear Santa, I will write and tell you what I want you to bring me. I want a doll carriage, tea-set and cook stove. I already have a doll and she is so fat she burst every dress I make for her.

I am in the fourth grade and I must be a bad girl or else my teacher thinks so, but I think I am getting along fine in my lessons.

I will tell you how I look. I have red hair and cat eyes, so you know how mean I am because I have red hair and folks say that red haired people are high tempered. I have a red skin and freckles and I'm pretty ugly I tell you.

We are going to have a Christmas tree at the Sharon school house on Thursday night and I expect to see you there.

My teacher's name is Miss McLendon. I think she is mean to me, but she is not I just think so.

I must stop. Your little friend, Sybel Campbell, Sharon school.

Abbeville, S. C., Dec. 14, 1922. Dear Old Santa, I am a little boy ten years old and I want you to bring me a rifle and a box of cartridge, so I can go hunting on Christmas Day.

I would also like to have some fruits, nuts, candy and lots of fire works.

A little friend, J. B. Wilson, Sharon School.

Abbeville, S. C., Dec. 14, 1922. Dear Santa, It has been almost a year since you were here, I hope you haven't forgotten us. You will find us on Mr. John Penney's place this year.

I know money is scarce so I am not going to ask for much, but please bring me a doll if you can and lots of nice candy, fruit and nuts and any thing else you think a little girl eight years old will like.

Please remember my little sister she is four years old and is anxious for a rubber doll.

A little friend, Thelma Ramey.

### A MILLION FOUNDS FOR UNEMPLOYED

Agreed By House of Commons After a Long Session

London, Dec. 14.—A supplementary estimate for one million pounds sterling for the relief of unemployed was agreed by the house of commons early today toward the close of a sixteen hour session prolonged by the tactics of the labor party.

The laborites had agreed to try to keep the house in session until it is prorogued Friday night in an effort to force the government to take further steps toward the alleviation of unemployment. Members of the party endeavored to have the issue discussed at every available opportunity during the session but a motion for cloture, made by Stanley Baldwin, chancellor of the exchequer at about 6:30 o'clock this morning was carried by a substantial majority. The motion was hailed with cries of "shame," "gag" and "scandal," while epithets of a more personal character were hurled at the occupants of the treasury bench.

The session which adjourned at 6:50 o'clock was tinged with humor and bitterness.

"Is this a new game of patience we are learning?" asked a laborite member of the speaker in the early morning hours.

"No, its quite an old game," replied the speaker with a laugh.

Spartanburg Leads in Ginning. Spartanburg, Dec. 14.—Information received from the department of agriculture in Washington places the cotton ginnings for Spartanburg county prior to December 1 at 53,721 bales.

A winter thought for the farmers not in the cooperatives: Why stay out in the cold?

Abbeville, S. C., Dec. 14, 1922. Dear Santa Claus, I am a little girl eleven years old, I will be twelve on Christmas Day.

I go to Sharon school and I want to tell you that we are going to have a Christmas tree at our school house Thursday night and I want you to be sure to be down for it.

I want you to bring me a cap, sweater, tablet and pencil and all kinds of fruits, nuts and fire works.

I will see you at the Christmas tree. Mary Link.

## LETTERS TO SANTA

Abbeville, S. C., Dec. 9, 1922. Dear Santa Claus, I am a little girl 7 years old and in the second grade and very good indeed. I want you to bring me a doll, doll carriage, a black board and lots of fruit, nuts and candies. I won't ask you for much, for I don't want you to forget my little sister, "Mutt."

Beatrice Blanchett. Donalds, S. C., Dec. 15, 1922. Dear Old Santa, This is the same little boy not any change in me only just one year older and I haven't killed any more black cats. Don't you think I am old enough for you to bring me just a tiny bit more than you did last year because I think I am a real good little boy. I was big enough to keep the boogers off of mama when papa was in Charlotte.

Can't you bring me a little train and a little watch. I think the kind that will just run when I run will do for this time. Please remember papa and mama and my little sisters, By all means don't forget my Aunt Annie down at the hospital. She says all in the world she wants is just one great big old fat bald headed railroad man that has just lots of money and a Ford strip down.

I will hang my ragged stocking in the corner so you can put something in it if it does fall out I will find it. Roddy Smith. Donalds, S. C., Dec. 14, 1922. My dear old Santa, I do wonder if you can come to see all of us little bad kids cause there are lots of us up in this country, more little bad girls up here than you can shake a stick at, but we are trying our hardest to be

good because it is just about time for you to come.

I am not going to be greedy this time. Please bring me a doll with curly hair. I wanted one last Christmas and you disappointed me. I want a few fireworks, a little ring, if you can't bring me a nice one just stop by the Ten Cents store and get me one.

Do remember Aunt Allie and everybody, especially all of the sick people.

I will try and hang my stocking in the corner, that is if I can find one with a foot in it. It may be that mama has one with a foot in it and if she hasn't I will hang up papa's sock.

With love, Blanch Smith.

Donalds, S. C., Dec. 14, 1922. Dear Santa, Here comes another little Smith girl just seven years old and a right good little girl. I hope you think I am good enough to bring me a few little things. I would like to have a curly headed doll and a doll bed because our bed we sleep in is packed full of other little girls. Do bring me some fire works and any thing else when you divide with the other little girls.

I want you to visit all of the little folks and some of the big ones too, especially Aunt Annie at the Hospital. Just take her some peanuts because I think she is a little greedy this Christmas any way. Alpha Smith.

Iva, S. C., Dec. 10, 1922. Dear Santa, Please bring us a doll a piece and any thing you want to bring. Don't forget our cousin, Grace, at Abbeville bring her something nice.

Santa, our dear old grandpa lives at Harper's Ferry. Bring him something and don't forget ma and pa. Your little friends, Mozell, Parnee and Beatrice Simmons.
