Citizens of Charleston, AND THE NEIGHBORING STATES.

YOU are respectfully informed that 70 MEETING STREET 70—is my Office for the exclusive sale of BRANDRETH'S VEGETABLE UNIVERSAL PILLS. Price twenty five cents per box, with directions in English, French, Spanish Portuguese and German.

The high and universal reputation of the Brandreth Pills, renders it unnecessary to comment largely on their particular virtues. As an anti-bilious and purgative medicine, they are unequalled by any. Their purifying effect on the blood is universally allowed—all that have ever used have approved and recommended them.

In many cases where the dreadful ravages of ulceration had laid bare ligament and bone, and where to all appearance, no human means could save life, have patients by the use of these Pills, been restored to good health; the devouring disease having been completely eradicated.

In consequence of the pleasantness of their operation, they are universally used in every section of this wide extended country where they are made known, and are fast superseding every other Preparation of professed similar import. Upwards of Fourteen Thousand cases have been certified as cured, solely from their use since the introduction of that into the U. States, thus establishing the fact beyond all doubt, that the Brandreth Pills cure the (apparently) most opposite diseases, by the one simple act of continually evacuating the bowels with them, until the disease gives way; therefore, whatever may be said of the THEORY, the UTILITY of the PRACTICE is now beyond all doubt.

As Brandreth's Pills cure Scurvy, Costiveness, and its consequences, seasickness, and all travellers to foreign regions, should not be without, in order to resort to them on every occasion of illness. No medicine chest is required where they are.

N. B.—Time or climate affects them not, provided they are kept dry. Southern gentlemen will find this medicine one that will insure health to the people on their estates.

Be careful and never purchase Pills of a Druggist, professing to be Brandreth's Pills. Under no circumstances is any one of this class made an Agent. My own established Agents have invariably an ENGRAVED Certificate, signed B. Brandreth, M. D., in my own hand writing. This is renewed yearly—and when over twelve months old, it no longer guarantees the genuineness of the medicine, it would be well, therefore, for purchasers to carefully examine the Certificate. The seal is not wax, but embossed on the paper with a steel seal. If the genuine medicine is obtained, there is no doubt of its giving perfect satisfaction, and if all who want it are careful to go by the above directions, there is little doubt but they will obtain it.

Remember 70 Meeting street, is the only place in Charleston where the genuine medicine can be obtained, and at J. Sales, Hamburg and C. A. DOWD, Edgfield C. H. the only authorised Agents for Edgfield.

His colts are generally very promising, partaking of the old Archy stock, his sire, are extremely docile and gentle, nearly all making good family horses. PEDIGREE.

The Celebrated Thorough Bred Horse NULIFIER.

WILL Stand the ensuing Spring season, at the Plantation of Capt. William B. Mays, four miles below Edgfield C. H. House, on the Stage Road leading to Augusta. The Season will commence on the 10th of March, and expire on the 10th of June, and will be let to Mares at the following reduced prices, viz:—Fifteen Dollars the single visit, Twenty five Dollars the season, and Forty Dollars insurance, and Fifty Cents cash to the Groom, in every instance. In cases of companies of five mares, the season will be reduced to Twenty Dollars for each mare, and a proportionate deduction for the visit, or insurance, by one person becoming responsible for all. Mares will be kept at the subscriber's plantation, and special care taken of them, at Twenty-five cents per day.—Good Pasturage Gratis. The visit and season money will become due at the expiration of the season, and the Insurance money as soon as the mare is ascertained to be with foal, or transferred, in which case the owner of the mare, when put, will be held accountable for the money. All possible care will be taken to prevent accidents or escapes, but no liability will be incurred for either.

Description.—NULIFIER is a beautiful Bay, handsomely marked, with a delightful cant of hair, which shows his superior stock. His appearance is commanding—he is of the greatest power, substantiality, and strength. He will be ten years old this Spring—is full sixteen hands high having superior size, large bone, and is as well muscled as any other horse, in this, or any other country, and has as much durability.

Pedigree.—NULIFIER was got by the celebrated running horse, Old American Eclipse of the celebrated American running horse, Old Durock, Roxana, his dam, was by the imported horse, Sir Harry, the best son of Sir Peter Teazle, grand dam by the imported horse, Saltrum; g. grand dam by Col. Symes' celebrated American horse, Old Wild Air; g. g. grand dam by Driver; g. g. g. grand dam by the imported horse Follow; g. g. g. g. grand dam by the imported horse, Vamper. A certified copy, from Virginia, signed by Benjamin Jones, Robert B. Corban, and Francis P. Corban. For his own, and his colts' performances on the turf, reference can be had to the American Turf Reg. & Sporting Magazine. He is a sure foal getter, and his colts are large, and have a splendid appearance, and are now running with great success, both on the Northern and Southern Courses.

Performance.—NULIFIER, the Spring he was three years old, ran a sweep-stakes over the Jerusalem Course, mile heats, six subscribers One Hundred Dollars entrance, when he was beaten, a prodigiously hard race, and not more than six or eight inches the second heat. The next week he ran, and won a Sweep-stakes, over the Norfolk Course, mile heats. Two Hundred Dollars entrance, beating several colts with great ease, particularly the second heat.—The week after this, he ran another Sweep-stakes, over the Notaway Course, mile heats, which race he won three heats, under the hardest drive, every heat. He was not then named till next Spring. He was four years old when he ran at Tree Hill, a most interesting and hard contested race, when he was beaten by Goliath, at four heats—Bayard and many others were in this race, and Nulifier was only beat one foot the last heat. The next week he went to Baltimore and ran over the Central Course, four mile heats, for the Jockey Club purse, when he was beaten by the flying Dutchman—a very hard race; many other horses running, but only those two contending. The next fall he ran at Broad Rock, two mile heats, which race he won at four heats, beating seven others, after he had lost the first and second heats. In this race he got one of his sinews sprung; and has not been trained since.

The above is all correct and true. W. R. JOHNSON. d 1 Feb. 4, 1840

Vegetable Life Medicines.

THESE Medicines are indebted for their name to their manifest and sensible action in purifying the springs and channels of life, and ending their with renewed tone and vigor. In many hundred certified cases which have been made public, and in almost every species of disease to which the human frame is liable, the happy effects of MOFFAT'S LIFE PILLS AND PHENIX BITTERS have been gratefully and publicly acknowledged by the persons benefited, and who were previously unacquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act.

The LIFE MEDICINES recommend themselves in diseases of every form & description. Their first operation is to loosen from the coats of the stomach and bowels, the various impurities and crudities constantly settling around them, and to remove the hardened faeces which collect in the convolutions of the small intestines.— Other medicines only partially cleanse these and leave such collected masses behind as to produce habitual costiveness, with all its train of evils, or sudden diarrhoea, with its imminent dangers. This fact is well known to all regular anatomists, who examine the human bowels after death; and hence the prejudice of these well informed men against quack medicines—or medicines prepared and heralded to the public by ignorant persons. The second effect of the Life Medicines is to cleanse the kidneys and the bladder, and by this means, the liver and the lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and the lungs before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

Moffat's Vegetable Life Medicines have been thoroughly tested, and pronounced a sovereign remedy for Dyspepsia, Flatulency, Palpitation of the Heart, Loss of Appetite, Heartburn and Headach, Restlessness, Ill-temper, Anxiety, Langour and Melancholy, Costiveness, Diarrhoea, Cholera, Fevers of all kinds, Gravel, Worms, Gout, Dropsies of all kinds, Gravel, Worms, Asthma and Consumption, Scurvy, Ulcers, Invertebrate Sores, Scabitic Eruptions and Bad Complexions, Eruptive complaints, Sallow, Cloudy, and other disagreeable Complexions, Salt Rheum, Erysipelas, Common Colds and Influenza, and various other complaints which afflict the human frame. In FEVER and AGUE, particularly, the Life Medicines have been most eminently successful; so much so, that in the Fever and Ague districts, Physicians almost universally prescribe them.

All that Mr. Moffat requires of his patients is to be particular in taking the Life Medicines strictly according to the directions. It is not by a newspaper notice, or by anything that he himself may say in their favor, that he hopes to gain credit.— It is alone by the results of a fair trial. MOFFAT'S MEDICAL MANUAL; designed as a domestic guide to health.— This little pamphlet, edited by W. B. Moffat, 375 Broadway, New York, has been published for the purpose of explaining more fully Mr. Moffat's theory of diseases, and will be found highly interesting to persons seeking health. It treats upon prevalent diseases, and the causes thereof. Price, 25 cents—for sale by Mr. Moffat's agents generally.

These Valuable Medicines are for sale by C. A. DOWD, Edgfield C. H. March 28, 1840 if 9
