ARCYLE,

THIS celebrated Race Horse and Stallion will stand the cusning Season, from 15th February to 15th June, at Mr. Wm. B Mays', in Edgefield District, S. C., 3 miles from the Court-House, on the Augusta Road. He will be let to mares at \$20 the single visit, \$30 the Season. and \$50 to insure; and one dollar to the groom in every instance. The money, or an approved note payable the 15th December next, must be sent with each mare, or she will not be served. Good pasturage will be provided, and mares fed on grain at a reasonable price, and servants boarded gratis.

Every care will be taken of mares and foals, but no liabilities will be incurred for

escapes or accidents. AKGYLE is a dark brown horse, with out white, except a star, fifteen hands and three quarters high; possessed of uncom mon bone and muscle, and a form com-bining with perfect symmetry, every essential of a Race Horse. He is now ten years old, having been fooled in Maryland in the Spring of 1830. He was sired by the famous Mons. Tonson, his dam Thistle, was by Ogle's Oscar, his grandam by Dr. Thornton's imported Horse Clifden; his g. g. dam by Mr. Hall's Spot; and his g. g. g. dam by Dr. Marshall's Hyder Ally, who was by Lindsay's Arabian.

The Performances of ARGYLE upon the Turf, have placed him in the very first rank of American Horses as a Racer, while those of his get entitle him to an equal standing as a Stallion. He started first at Orangeburg, S. C. in January 1834, and ran at Barnwell, Augusta, Macon, Columbia, and Charleston, two, three, and four miles heats, winning successively 8 races. five of them of four mile heats, beating Parsy Wallace, Ranlesnake, (3 times) Lucy Ashton, Rushlight, Bertrand junior, (twice) Vertumous, &c &c. He never lost a heat, and was rarely if ever put up to his speed, until his extraordinary defeat by John Bascombe in April, 1836, the circumstances of which are familiar to every one. Subsequently he was trained and run with great success in Virginia; and in May last on the Central Course at Baltimore, after running for the first heat minutes 4-seconds, he won'the second hear in 5 minutes, 40 seconds, being the precedence. best second heat of three miles recorded in the history of the American Turf, and the most brilliam performance of a year surpassing all others in the richness of its annals. During the same week, and on the same course, one of his daughters. Kare Seaton, won the great sweepstakes of \$1000, bearing a fine field with great case; such a coincidence being hitherto unknown

upon the Turf. ARGYLE stood but one season and to a limited number of mores, not many of which were thorough bred, yet his colts have won nine out of the cleven races fo which they have been started, beating at one, two, and three miles, the get of many of our best Stallions, besides several imported colts, some of them in first-rate time. Two of his get, Governor Butler and Kate Seaton, are now unrivalled upon

the Turf by any thing of their age. The owners of ARGYLE. in bringing him back to the State in which (tho' not foaled) he was first trained and gained his earliest laurels, present him with confidence to the Public, as being in every way. on account of his blood, sire and form, his performances on the turf, so remarkable for endurance, as well as speed, and the extraordinary success of his get, worthy of their entire approbation.

immunity from the risk of fire and flood, will procure him a liberal patronage.

He has rebuilt the Ware-House formerly known as Adams & Walker's, and is filling up one wing of it above the highest water-mark of the late freshet, for the purpose of storing there in the Cotton of Planters and Country Merchants. This site is at least two feet higher than any other ware-house in town; and the division that has been elevated will store from 1800 of 2000 bales.

He will sell Cotton, and attend to such business as is usually transacted by Commission Merchants, at as low a rate as others engaged

in the same calling.

In again offering his services to his friends and the public, the subscriber cannot refrain from acknowledging the liberal patronage he once received from them; and hopes by his at-tention to business that it will be renewed, and it will be thankfully received.

Citizens of Charleston, AND THE NEIGHBORING STATES. OU are respectfully informed that 70 MERTING STREET 70—is my Office for the exclusive sale of BRANDRETH'S VEGETABLE UNIVERSAL PILLS. Price twen-

five cents per box, with directions in English, rench. Spanish Portuguese and German. The high and universal reputation of the

Brantdeth Pills, renders it unnecessary to comment largely on their particular virtues. As an anti-bilious and purgative medicine, they are unequalled by any. Their purifying effect on the blood is universally allowed—all that have ever used have approved and recommended

In many cases where the dreadful ravages of decration had laid bare ligament and bone, and where to all appearance, no human means could save life, have patients by the use of these Pills, been restored to good health; the devour ng disease having been completely eradicated.

In consequence of the pleasantness of their operation, they are universally used in every section of this wide extended country where they are made known, and are tass surperseding every other Preparation of professed similar import. Upwards of Fourteen Thousand cases have been certified as cured, solely from theinse since the introduction of that into the U States, thus establishing the fact beyond all doubt, that the Brandreth Pills cure the (appar rently) most opposite diseases, by the one simple act of continually evacuating the box els with them, until the disease gives way; therefore, whatever may be said of the THEORY, the UTILITY of the PRACTICE is now BEYOND all

As Brandreth's Pills cure Scurvy, Costiveness, and its consequences, seasfaring men, and all travellers to foreign regions, should not be without, in order to resoit to them on every occasion of illness. No medicine chest is re-

quired where they are.

N. B,-Time or climate affects them not. provided they are kept dry. Southern gentle-men will find this medicine one that will insure health to the people on their estates.

Be careful and never purchase Pills of a Druggist, professing to be Brandreth's Pills Under no circumstances is any one of this class made an Agent. My own established Agents have INVARIABLY an ENGRAVED Certifi-cate signed B. Brandreth, M. D, in my own hand writing. This is renewed yearly—and when over twelve months old, it no longer guarantees the genuineness of the medicine. it would be well, therefore, for purchasers to carefully examine the Certificate. The scal is not wax, but embossed on the paper with a steel seal. If the genuine medicine is obtained there is no doubt of its giving perfect satisfaction, and it all who wantit are careful to go by the above directions, there is little doubt but they

will obtain it.

Vegetable Life Medicines.

THE HEALTH CONTRACTOR OF THE PERSON

THESE Medicines are indebted for their name to their manifest and sensible action in purifying the springs and hannels of life, and enduing them with renewed tone and vigor. In many hundred certified cases which have been made public, and in almost every species of disease to which the human frame is liable. the happy effects of MOFFATS LIFE PILLS AND PHŒNIX BITTERS have been gratefully and publicly acknowledged by the persons benefitted, and who were previously unacquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act.

The LIFE MEDICINES recommend.

themselves in diseases of every from & description. Their first operation is to loosen the various impurities and erudities constantly settling around them, and to remove the hardened fæces which collect in the convolutions of the small intestines .-Other medicines only partially cleanse these and leave such collected masses behind as to produce habitual costiveness, with all its train of evils, or sudden diarra hea, with its imminent dangers. This fact is well known to all regular anatomists, who examine the human bowels after death; and hence the prejudice o. these well informed men against quack medicines-or medicines prepared and heralded to the public by ignorant persons.

The second effect of the Life Medicines is to cleanse the kidneys and the bladder, and by this means, the liver and the lungs, the healthful action of which entirely depends upon the regularity of the prinary organs The blood, which takes its red color from the agency of the liver and the lungs before it passes into the heart, being thus parified by them, and nourished by food coming from a clean stomach, courses freely through the veines, renews every part of the system, and triumphantly mounts the banner of health in the bloom-

Moffat's Vegetable Life Medicines have been thoroughly tested, and pronounced a sovereign remedy for Dyspepsia, Flatulency, Palpitation of the Heart, Loss of Appetite, Heartburn and Headach. Restessness, Ill-temper, Auxiety, Languor and Melancholy, Costiveness, Diarrhœa, Cholera, Fevers of all kinds, Rheumatism Gout. Dropsies of all kinds. Gravel, Worms, Asthma and Consumption, Scurvy, Ulcers, Inveterate Sores. Scobutic Eruptions and Bad Complexions, Eruptive complaints. Sallow, Cloudy, and other disagreeable Complexions, Salt Rheum, Erysipelas, Common Colds and Influenza, and various other complaints which afflict the human frame. In FEVER and AGUE, particularly, the Life Medicines have been most eminently successful; so much so, that in the Fever and Ague districts, Physicians

almost universally prescribe them.

All that Mr. Moffat requires of his pair ents is to be particular in taking the Life Medicines strictly according to the directions. It is not by a newspaper notice, or by anything that he bimself may say in their favor, that he hopes to gain credit.-

It is alone by the results of a fair trial.
MOFFAT'S MEDICAL MANUAL. designed as a domestic guide to health. This little pamphlet, edited by W. D. Mossat, 375 Broadway, New York, has been published for the purpose of explaining more fully Mr. Moffat's theory of diseases, and will be found highly interesting to persons seeking health. It treats upon prevelen diseasos, and the causes thereof. Price, 25 cents-for sale by Mr. Moffat's agents generally.

These Valuable Medicines are for sale C. A. DOWD. Edgefield C. 11. March 28, 1840 4 19
