From the Vicksburg Sentine .
TO THE MEMORY OF DR. J. HAGAN. BY A LADY. So lately shining here, Gone to the dim. the sunless shore, His bright existence dear : Is all the light of justice and truth A dream of death at last, The sinless days of youth,
A phantom of the past?

An echo from the lonely tomb,
Where his cold ashes sleep,
Tell us, though Memory's lips are dumb,
Her sobbing heart must weep.
Oh! sweep the dust of death away,
Obhvion! rend thy veil;
'Twere vain—on sorrow's sullen tide
No honored bark may sail.

The swindler's feeling now no more Disturb his silent breast, The strife, the agony is o'er, He sleeps—he is at rest!

The bright intelligence of his brow, Are all that memory worships now, Are all death leaves behind.

No more bank malice dark His bloodless heart shall wound, Vengeance now fails its rancorous mark, In joy he smiles around. e corrupt in insolence Shall dare the lost concerna, The fiendish foulness barries bence. From him, and fall on them.

For, ah! while pure existence lures Great blessing from below. His memory all our love secures. And curses upon his foes.

And while the blue sky claims its own Just patriol to its sphere. We'll grave upon his funeral stone, A murdered man sleeps here!

A curse, a deep dark curse is hung From out the burning sky; A dagger from its sheath is flung, Light lightning from God's eye. And retribution's hand red bright, The awful vengeance flames,

But score, fierce score, refrains to write Her victim's baleful name.

DR SPENCERS VEGETABLE PILLS

A PUBLIC BLESSING.

HESE PILLS have long been known and appreciated, for their extraordinary and immediate powers of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable. They are particularly recommended to all those persons who are afflicted with any kind of a chronic or lingering complaint, as there is of a chronic or tingering compaine, as mere is no medicine before the public which has so natural and happy effect upon the system in correcting the stomach and liver, and to the formation of healthy chyle and thereby purify-

ing the blood.

They are acknowledged by the hundreds and thousands who are using them, to be not only the most mild and pleasant in their operation, but the most perfectly innocent, safe and effi-cient medicine ever offered to the public.-Those who once make a trial of these Pills, never afterwards feel willing to be without them, and call again and again for more, which s sufficient proof of their good qualities.

HEADACHE-SICK OR NERVOUS. Those who have suffered and are weary of suffering with this distressing complaint, will find Spencer's Vegetable Pills a remedy at ence certain and immediate in its effects. One sin-gle dose of the Pills taken soon as the headache is felt coming on, will cure it in one-half hour entirely.

As a remedy in summer and boxel complaints, they display their wonderful powers to admi-ration, and are far superior to any thing in use for these complaints.

In Dyspepsia and Liver Complaint, they stand univalled. Many have been cured in a few

weeks, after having suffered under the dread-ful complaint for years. In Habitual Costineness they are decidedly superior to any Vevetable Pill ever brought before the public; and one 25 cent box will establish their surprising virtues, and place them beyond the reach of doubt in the estimation of that I have written for by the time your agent

every individual. They are invaluable in nervous and hypo chondriacal affections, loss of appetite, and all complaints to which females alone are subject. They are mild in their action, and convey

almost immediate conviction of their ultility from the first dose. They may be taken by persons of any age; and the feeble, the infirm, the nervous and delicate are strengthened by their operation, because they clear the system of had humors, quiet nervous irritability, and invariably produce sound health. Upwards of three hundred and seventy thousand boxes of these mestimable Pills have been sold within the last twelve months in three

same quantity in other States. As an anti bilious medicine, no family should be without them. A single trial of them is

Talladega Springs, Talladega Co. Ala. ? This is to certify, that I have been afflicted with Sick Headacha, Dyspepsia and Liver Complaint, and Costiveness for the last eight or nine years, during which time I had taken, as well as I recollect, about sixty boxes of Beckwith's Pills, twelve boxes of Peter's Pills, and a number of boxes of Champion's and Bran-dreth's Pills, all of which afforded me but little or no relief. At last I was recommended to try Dr. Spencer's Vegetable Pills, and well I did; tor I never had but one attack of the Sick Headache after I commenced taking the Pills, (now about six months,) and I candidly con-

fess, that I have derived more real benefit from the use of Spencer's Pills, than from all the other Medicines and Pills that I have ever taken, and I would carnestly recommend them to all as being in my opinion, the best medi-cine in use for all linguing complaints. The Pills have done me so much good, that I would not feel willing to be wishout them for five dollars a box; and I cannot but feel very grateful to Dr Spencer for having prepared such a valuable medicine, and the distribution of it is conferring a very great favor on the public, as it is a thing of the utmost importance that every family should have a supply of Dr.

Spencer's truly valuable Pills constantly of hand. ISAAC M. THOMAS. Price, 25 cents per box, with full directions.
