A PUBLIC BLESSING.

BHESE PILLS have long been knigen and appreciated, for their extraorditory nd immediate powers of restoring perhot ealth to persons suffering under nearly every and of disease to which the human frame is table. They are particularly recommended to If those persons who are afflicted with any kind of a chronic or lingering complaint, as there is no medicine before the public which has so natural and happy effect upon the systemism correcting the stomach and liver, and to the formation of healthy chyle and thereby purify-

ing the blood.
They are acknowledged by the hundreds and housands who are using them, to be not only the most mild and pleasant in their operation, but the most perfectly innocent, safe and efficient medicine ever offered to the public.— Those who once make a trial of these Pills, never afterwards feel willing to be without them, and call again and again for more, which is sufficient proof of their good qualities

HEADACHE—SICK OR NERVOUS:

Those who have suffered and are weary of suffering with this distressing complaint, will find Spencer's Vegetable Pills a remedy at once certain and immediate in its effects. One single dose of the Pills, taken soon as he headache is lelt coming on, will cure it in one-half hour entirely.

As a remedy in summer and boxel complaints,

they display their wonderful powers to admiration, and are for superior to any thing in use

for these complaints.

In Dyspepsia and Liver Complaint, they stand unrivalled. Many have been cured in a few weeks, after having suffered under the dreadful complaint for years

In Habitual Costiceness they are decidedly superior to any Vevetable Pill ever brought before the public ; and one 25 cent box will establish their surprising virtues, and place them beyond the reach of doubt in the estimation of every individual.

They are invaluable in nervous and hypo

chondrineal affections, loss of appetite, and all Complaints to which females alone are subject. They are mild in their action, and convey immediate conviction of their ultility from the first dose. They may be taken by persons of any age; and the feeble, the infirm,

he nervous and delicate are strengthened by

their operation, because they clear the system

of bad humors, quiet nervous irritability, and

Upwards of three hundred and seven'y thou sand boxes of these mestimable Pills have been sold within the last twelve months in three States alone, and more than three times the same quantity in other States.

As an auti bilious medicine, no family should be without them: A single trial of them is more satisfactory than a thousand certificates.

This is to certify, that I have been afflicted with Sick Headache. Dyspepsia and Liver Complaint, and Costiveness for the last eight or nine years, during which time I had taken, as well as I recollect about sixty boxes of Beck-with's Pills, twelve boxes of Peter's Pills, and a number of boxes of Champion's and Brandreth's Pills, all of which afforded me but little or no relief. At last I was recommended to try Dr. Spencer's Vegetable Pills, and well I did; for I never had but one attack of the Sick Headache after I commenced taking the Pills, (now about six months,) and I caudidly con-less, that I have derived more real benefit from the use of Spencer's Pills, than from all the other Medicines and Pills that I have ever

taken, and I would earnestly recommend them to all as being in my opinion; the best medicine in use, for all lingering complaints. The Pills have done me so much good, that I would not feel willing to be without them for five dollars a box; and I cannot but feel very grateful to Dr. Spencer for having prepared such a valuable medicine, and the distribution of it is conferring a very great favor on the public, as it is a thing of the utmost importance
