

INVALUABLE Family Medicines.

SPENCER'S VEGETABLE PILLS

"Prove all things, and hold fast to that which is good."—Paul.

THESE PILLS are no longer among those of doubtful utility. They have passed away from the thousands daily lunched on the "side of experiment," and now stand higher in reputation, and are becoming more extensively used, than any other medicine ever prepared. They have been introduced into every place where it has been found possible to carry them, and there are few towns, or villages, but contain some remarkable evidences of their good effects. But it is not necessary to advertise them at large, or to say any thing further of them, than to caution those wishing to purchase Antibilious Family Medicine, to be particular to enquire for SPENCER'S VEGETABLE PILLS, as there are numerous preparations put on sale almost every day, of doubtful efficacy. To satisfy the world of the inestimable worth of this Medicine, I would simply observe that, it has been long used by some of the leading lights of the profession in their extensive practice, and is now prepared with great care, and upon scientific and chemical principles, for general use, by the present proprietor ONLY. The imputation of Quackery therefore cannot be affixed to this Medicine, since it is the preparation of regular practising Physicians, who have made the leading art, their profession, and whose pharmaceutical preparations will ever be held in the highest estimation.

TESTIMONIALS.
Read the following certificate from Mr. O. C. Kelsey, a popular merchant of Tompkin's Bluff, Ala., and thousands of a similar character might be given if necessary to prove the efficacy, popularity and usefulness of this medicine.

Tompkin's Bluff, Ala., Jan. 4, 1843.
Dr. A. Spencer—Dear Sir: I wish you to forward me a large supply of your pills; I don't think 300 boxes too large a quantity to send. I sold 100 boxes the last six months; they are the most popular pill in this place. For bilious complaints, sick-headache, dyspepsia, costiveness and such like diseases, they are considered almost an infallible remedy. I have been agent for Dr. Peter's Pills, and formerly sold a large amount yearly; but I now sell three dozen of your pills to one of his. My customers think them superior to Peter's or any other pills.

Respectfully yours, O. C. KELSEY.

Price, 25 Cents per box, with full directions.

Tooth-ache! Tooth-ache!

DR. LACOUNT'S ELIXIR is a speedy, certain, and lasting cure for the most painful and distressing disease that can affect the human frame. In almost all cases of Tooth-ache it arises from a decayed state of the parts, which exposes to the action of the atmospheric air, the nerve, or internal surface of the copious or rotten tooth, and a cure must be effected, either by extraction or by rendering those parts impervious to the action of the air.

Dr. Lacount's Elixir is particularly adapted to destroy the nerve, without the slightest injury to the other teeth, and thereby effect a permanent cure. Its application is not attended by the slightest pain, or inconvenience.

Thousands have declared that they would not be without this preparation if it cost \$10 per Vial.

Price, 50 Cents.

DR. HULL'S VEGETABLE FEVER AND AGUE AND ANTI FEVER PILLS.

THESE PILLS wherever they have been fairly tried have established an enviable celebrity, and are daily superseding all other preparations in curing the diseases for which they are prepared.

The following certificate is from Judge Forest, a gentleman of the first respectability in Jefferson co., Alabama.

Jonesboro', Ala., 4th Feb. 1844.
I certify that in the summer of 1842 I had a severe attack of fever and ague, and was for some time under the treatment of a physician, but received no benefit from his prescriptions—my disease continuing to increase in the frequency and severity of its attacks. I at last had recourse to Dr. Hull's Fever and Ague and Anti-Fever Pills, and in using half a box was entirely cured, and have remained in good health ever since. I afterwards had in my family several cases of fever and ague, and have in every instance made use of Hull's Pills, which have always immediately effected a cure.

Remedy for coughs.

DR. HULL'S COUGH LOZENGES are most rapidly superseding all other preparations for the relief of Coughs, Colds, Asthma, Whooping-cough, Catarrh, Tightness of the chest, Bronchitis, and similar pulmonary affections.

Thousands, we may say thousands who have suffered for years from the above diseases are now in the possession of sound health, which may be attributed entirely to the fortunate use of one 25 cents box of this invaluable medicine. They are as pleasant to the taste as candy—convenient to carry in the pocket, and warranted to be the most effectual Cough medicine in use.

Price, 25 Cents per box, with directions.

Hull's Worm Lozenges.

It is estimated that, 100,000 children die annually from the effects of worm's alone! This vast mortality could be almost entirely prevented by the use of Dr. Hull's Worm Lozenges. Every family where there are children, should not fail to keep this important medicine in the house, and administered when their symptoms indicate the presence of these dangerous and destructive reptiles.

The following extract from the "Spartan Gazette," speaks the sentiments of all who have ever used this valuable Worm Destroying Medicine.

"From our own knowledge, we take great pleasure in recommending Hull's Worm Lozenges as the best Worm Medicine extant. Children will cry for them, and eat them as they would candy."
